AMEND Senate Bill No. 358*

House Bill No. 532

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 53-3-104, is amending by adding the following language as a new subsection:

(e)

(1) Notwithstanding any rule promulgated under subsection (a) and except as provided in subdivision (e)(2), the department shall not regulate the production of unpasteurized butter provided that it is produced:

- (A) In a facility separate from production of pasteurized products;
- (B) Solely for intrastate commerce; and
- (C) By a person licensed by the department as a dairy plant.

(2) Any unpasteurized butter sold pursuant to this subsection (e) must bear the following warning on the principal display panel or panels of the label:

WARNING: This product has not been inspected by the Department of Agriculture. Raw (unpasteurized) butter may contain disease-causing micro-organisms. Persons at highest risk of disease from these organisms include newborns and infants; the elderly; pregnant women; those taking corticosteroids, antibiotics, or antacids; and those having chronic illnesses or other conditions that weaken their immunity.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.

AMEND Senate Bill No. 916

House Bill No. 259*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 69-3-108, is amended by deleting subsection (g) and substituting the following:

(g)

(1) The commissioner may grant permits authorizing the discharges or activities described in subsection (b), including, but not limited to, land application of wastewater, but in granting such permits shall impose such conditions, including effluent standards and conditions and terms of periodic review, as are necessary to accomplish the purposes of this part, and as are not inconsistent with the regulations promulgated by the board.

(2) Under no circumstances shall the commissioner issue a permit for an activity that would cause a condition of pollution either by itself or in combination with others.

(3) If a permit is required under this part for a public transportation project commissioned by a federal, state, or local government, the alternatives analysis required by Tenn. Comp. R & Regs. 0400-40-07-.04(5) does not need to include alternative road locations but must include other measures to avoid and minimize impacts to resource values.

(4) In addition, the permits shall include:

(A) The most stringent effluent limitations and schedules of compliance, either promulgated by the board, required to implement any

applicable water quality standards, necessary to comply with an area wide-waste treatment plan, or necessary to comply with other state or federal laws or regulations;

(B) A definite term, not to exceed five (5) years, for which the permit is valid. This term is subject to provisions for modification, revocation, or suspension of the permit;

(C) Monitoring, recording, reporting, and inspection requirements;
and

(D) In the case of permits authorizing discharges from publicly owned treatment works, terms and conditions requiring the permittee to enforce user and cost recovery charges, pretreatment standards, and toxic effluent limitations applicable to industrial users discharging into the treatment works.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring

it.

AMEND Senate Bill No. 418

House Bill No. 355*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1.

(a) There is created an advisory task force to study the developing of initiatives to reduce the waste of food in this state.

(b) The task force shall consist of twelve (12) members as follows:

- (1) The commissioner of environment and conservation, or the commissioner's designee, who shall serve as the chair of the task force;
- (2) One (1) person representing the department of agriculture, to be appointed by the commissioner of agriculture;
- (3) One (1) person representing the department of health, to be appointed by the commissioner of health;
- (4) One (1) person representing the department of education, to be appointed by the commissioner of education;
- (5) One (1) person representing food recovery organizations in this state, to be appointed by the commissioner of environment and conservation;
- (6) One (1) person representing urban counties in the state, to be appointed by the commissioner of environment and conservation;
- (7) One (1) person representing rural counties in the state, to be appointed by the commissioner of agriculture;
- (8) One (1) person representing restaurants in the state, to be appointed by the commissioner of environment and conservation;

0571462222

004789

(9) One (1) person representing agricultural producers in the state, to be appointed by the commissioner of agriculture;

(10) One (1) person representing additional business interests in the state, to be appointed by the commissioner of environment and conservation;

(11) One (1) person representing a public institution of higher education in the state with expertise regarding food systems or food waste topics, to be appointed by the commissioner of environment and conservation; and

(12) One (1) person representing food vendors or grocers in the state, to be appointed by the commissioner of environment and conservation.

(c) The task force shall examine:

(1) Food systems in this state while performing an analysis that determines where along the food supply chain food waste occurs;

(2) The need for incentives for school and community awareness to reduce food waste, including the use of tax credits and grants;

(3) The need for appropriate changes to food establishment regulation and food donation statutes, including modification of liability protections; and

(4) Waste management; diversion, such as composting, anaerobic digestion, and feeding livestock; and recycling practices with respect to food.

(d)

(1) Members of the task force serve without compensation or reimbursement for any expenses incurred while participating in the business of the task force.

(2) Vacancies among the members of the task force must be filled in the same manner as in the original selection of members.

(e) The selection of members of the task force should be inclusive and reflect the racial, gender, geographic, urban, rural, and economic diversity of this state.

(f) The commissioner of environment and conservation shall call the first meeting of the task force.

(g) The task force must agree upon its findings and recommendations by a majority vote of its total membership.

(h) The chair of the task force may call on appropriate state agencies for reasonable assistance in the work of the task force. The task force is administratively attached to the department of environment and conservation.

(i) The task force shall hold public meetings and utilize technological means, such as webcasts, to gather feedback on its recommendations from the general public.

(j)

(1) The task force shall submit a report of its findings and recommendations to the general assembly no later than March 1, 2020.

(2) This act is repealed on June 30, 2020.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
