(1) Any local education agency (LEA) may purchase, install, operate, and maintain cameras on the exterior of school buses, or may enter into a contract with a private vendor to purchase, install, operate, and maintain cameras on the exterior of school buses on behalf of the LEA, for the purpose of recording images of motor vehicles that are in violation of subdivision (a)(1) for failing to stop upon approaching a school bus.

(2) An LEA that installs cameras on the exterior of school buses in accordance with subdivision (c)(1) shall enter into a memorandum of understanding with local law enforcement for the preservation of evidence from a camera. (B) A second or subsequent violation of subdivision (a)(1) that is based solely upon evidence from a camera that has been installed on the exterior of a school bus is a Class A misdemeanor punishable in accordance with subdivision (a)(5)(B); provided, that the state must meet the burden of proof set out in § 39-11-201, and the person charged has no burden to prove innocence. (6)

(A) One hundred percent (100%) of the proceeds from any fine imposed by subdivision (c)(5)(A) that is based solely upon evidence

obtained from a school bus camera shall be allocated to the LEA without being designated for any particular purpose.

(B)

(i) The LEA may use the proceeds for the purpose of defraying the costs of purchasing, installing, operating, or maintaining the camera, or reimbursing or compensating the vendor with which the LEA contracted regarding the purchase, installation, operation, or maintenance of the camera.

(ii) If the LEA uses the proceeds for the purpose of reimbursing or compensating a vendor with which the LEA contracted regarding the purchase, installation, operation, or maintenance of the camera, then the LEA shall create procedures for such reimbursement or compensation and shall maintain records of such reimbursement or compensation.

(7) No more than one (1) citation shall be issued for each distinct and separate traffic offense in violation of subdivision (a)(1) or a municipal ordinance or law that mirrors, substantially duplicates, or incorporates by cross-reference the language of subdivision (a)(1).

(8) Any LEA that contracts for transportation services with any persons or entities that own school buses, shall include in each contract a provision requiring the owner to allow the LEA, private vendor, or local law enforcement agency reasonable access to the bus for the purposes of installing, maintaining, or inspecting cameras or obtaining, gathering, or transmitting recorded images from the camera to enforce subdivision (a)(1).

(9) Any photograph or video recorded by a camera in accordance with this subsection (c) is admissible as evidence in any proceeding alleging a violation of subsection (a) if the photograph or video meets the standards of admissibility set forth in the Tennessee Rules of Evidence.

(10) As used in this subsection (c):

(A) "Camera" means any device that is capable of:

(i) Producing a digital photograph, recorded video, or other recorded image, including an image of a motor vehicle passing or overtaking a school bus and the vehicle's license plate; and
