## **SWC #3054 – SAS Software and Support – Edison # 31500**

**Contract Start Date:** 05/01/2012

**System Expiration Date:** 04/30/2014

**Original Number of Renewals:** 2

**Renewals Remaining:** 1

**Competitively Procured:** Sole Source

**# of Invitations Sent:** 1

**# of Responses Received:** 1

**Requested Action & Notes:** Renewal

**Vendor Name and Location:** SAS Institute Inc., P.O. Box 8000, Cary NC 27511

**Main User Agencies:** Office for Information Resources

**Estimated Annual Volume:** \$326,000

**Spend to Date:** \$430,221

**Original Estimated Annual Cost Savings (if any):**

**Background:** The purpose of this Restricted Statewide Contract (RSWC) is for the Department of Finance and Administration, Office for Information Resources (OIR) to procure SAS distributed software products and continue maintenance on its existing installed base software. OIR has standardized on certain SAS products that are designed to enable the State to do everything from accessing data across multiple sources to performing sophisticated analyses and delivering information across the organization as needed. This software is currently used by OIR, Revenue and TennCare. SAS is the sole source for the renewal of the state's existing software licenses. In order to switch to a vendor other than SAS would require the state to purchase new software to replace our existing licenses and require payment of an initial license fee in order to establish the new licenses and also pay maintenance.
