Re: Non-competitive Contract Amendments to Increase Maximum Liability
Special Deputy Electrical Inspectors

Dear Ms. Chick:

Attached for review and approval of the Fiscal Review Committee pursuant to Tenn. Code Ann. §4-56-107 are fourteen (14) amendments to existing contracts between the Department of Commerce and Insurance (the "Department") and Deputy Electrical Inspectors ("DEI's") to perform inspections of electrical wiring installations. The Commissioner of Commerce and Insurance is authorized to appoint any person acting through a professional corporation to perform electrical inspection services pursuant to Tenn. Code Ann. § 68-102-143(a)(1) before electric service is connected to a business or construction on a permanent basis. In accordance with Tenn. Code Ann. § 68-102-143(a)(3), the Commissioner is required "to ensure that electrical inspection services are available throughout the [S]tate on a timely basis."

We believe that the amendments to increase maximum liability of each of these contracts can be justified based on an increase in the number of electrical inspections each DEI is requested to perform, the limited number of individuals qualified as DEI's, and the importance of conducting the inspections in a timely manner.¹ The volume of work assigned to some DEI's has increased simply due to improved economic activity in the service areas to which the DEI is assigned. In other cases, the disability, illness, death, resignation of some DEI's has resulted in a need to shift the work to others in the designated inspection territory. Attached is a table summarizing the reason for which approval of each amendment increasing maximum liability is requested.

¹ Tenn. Code Ann. § 68-102-143(a)(3) (A) provides that inspections are considered "timely" when performed within three (3) working days of the request.

Letter to Ms. Leni Chick
February 6, 2014
Page 2 of 2

Please note that DEI's are compensated by receiving eighty-five percent (85%) of the amount of the fees set by statute which are collected for the permits from the individuals or entities requesting inspections, with the remaining fifteen percent (15%) retained by the Department to cover administrative costs associated with the electrical inspection program. The proposed increase in maximum liability for each of the DEI's is based on an estimate of the amount of work each DEI will be asked to perform through the end of the current contract period, June 30, 2016, and the corresponding inspection fees each DEI is expected to collect during such period.

I have attached the Supplemental Documentation required for review by the Fiscal Review Committee, Edison printouts related to payments made under each contract, the amendments and Amendment Requests applicable to each DEI contract approved by the Central Procurement Office, and the original contracts.

Please advise if you have any questions or need any additional information.

Respectfully,

Dan Birdwell
Assistant General Counsel

<p>14. Explanation Need for the Proposed Amendment</p> <p>The proposed amendment is required because the current contractor, Michael Taylor Electrical Inspector, PC, has been requested to perform a greater volume of work than was anticipated when the initial contract was entered due to termination and/or resignation of other deputy electrical inspectors in the service area(s) where such work is performed.</p> <p>In order for the Contractor to continue to perform services required by the Division of Fire Prevention, it is necessary to increase the maximum liability of the subject contract from \$287,000 to \$528,364.</p> <p>Please note that the Contractor provides electrical inspection services to remote and rural areas of the state which do not have a large pool of qualified individuals that meet the eligibility requirements of this service. The number of individuals qualified to perform the work required is very limited.</p> <p>The proposed change in maximum liability is based on a revised estimate of the work that the Contractor will be required to perform in order to ensure continuity of services (continued electrical inspections) on behalf of the State. The Department has estimated the amount required to be approximately \$130,000 per year for each of the next two (2) fiscal years. (The current contract term ends June 30, 2016.)</p>	
<p>15. Name & Address of the Contractor's Principal Owner(s) <i>- NOT required for a TN state education institution</i></p> <p>Michael Taylor Electrical Inspector, PC 1399 Saddle Tree Road Ashland City, TN 37015 615-456-4199</p>	
<p>16. Evidence Contractor's Experience & Length Of Experience Providing the Goods or Services</p> <p>The Contractor has served as a deputy electrical inspector for more than three (3) years, during which time the quality of services performed has been excellent.</p>	
<p>17. Efforts to Identify Reasonable, Competitive, Procurement Alternatives</p> <p>Please note that competitive procurement is not feasible, since electrical inspection permit fees are currently specified by law, Tenn. Code Ann. T.C.A. § 68-102-143(b)(2), rather than by competitive bid. The Department retains fifteen percent (15%) of the fees charged for costs associated with the administration of the electrical inspection program, and the inspectors receive eighty-five percent (85%) of the total fee assessed.</p>	
<p>18. Justification</p> <p>Pursuant to Tenn. Code Ann. § 68-102-143(b)(2), deputy electrical inspectors are required to possess: (1) a high school diploma or GED certificate; (2) practical experience consisting of at least five (5) years in electrical installation or inspection; and, (3) proof of having passed a nationally recognized certification examination in both (a) electrical one- and two-family dwellings and (b) electrical general.</p> <p>As stated above, the number of potential contractors who meet the qualification the Department requires is small. In this regard, please note that the Department is required by law to perform inspections of electrical installations within three working days of the date the request is made," and it also requires to contractor "through the inspector's professional corporate to provide electrical inspection services." (See T.C.A. § 68-102-143.)</p>

1. Contract Section C.1. Maximum Liability is deleted in its entirety and replaced with the following:

C.1. Maximum Liability. In no event shall the maximum liability of the State under this Contract exceed five hundred twenty-eight thousand three hundred sixty-four dollars and no cents (\$528,364). - D.3. Termination for Convenience. The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a breach of contract by the State. The State shall give the Contractor at least thirty (30) days written notice before the effective termination date. The Contractor shall be entitled to compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. Termination for Cause. If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. Subcontracting. The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.
- D.6. Conflicts of Interest. The Contractor warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Contract.

The Contractor acknowledges, understands, and agrees that this Contract shall be null and void if the Contractor is, or within the past six months has been, an employee of the State of Tennessee or if the Contractor is an entity in which a controlling interest is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee.

- D.7. Nondiscrimination. The Contractor hereby agrees, warrants, and assures that no person shall be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination in the performance of this Contract or in the employment practices of the Contractor on the grounds of handicap or disability, age, race, color, religion, sex, national origin, or any other classification protected by Federal, Tennessee State constitutional, or statutory law. The

Contractor shall, upon request, show proof of such nondiscrimination and shall post in conspicuous places, available to all employees and applicants, notices of nondiscrimination.

- D.8. Prohibition of Illegal Immigrants. The requirements of *Tennessee Code Annotated*, Section 12-4-124, *et seq.*, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor hereby attests, certifies, warrants, and assures that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment B, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the Contractor and made available to state officials upon request.
 - b. Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the Contractor shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the Contractor and made available to state officials upon request.
 - c. The Contractor shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.
 - d. The Contractor understands and agrees that failure to comply with this section will be subject to the sanctions of *Tennessee Code Annotated*, Section 12-4-124, *et seq.* for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this Contract.
 - e. For purposes of this Contract, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the federal Department of Homeland Security and who, under federal immigration laws and/or regulations, is authorized to be employed in the U.S. or is otherwise authorized to provide services under the Contract.
- D.9. Records. The Contractor shall maintain documentation for all charges under this Contract. The books, records, and documents of the Contractor, insofar as they relate to work performed or money received under this Contract, shall be maintained for a period of three (3) full years from the date of the final payment and shall be subject to audit at any reasonable time and upon reasonable notice by the State, the Comptroller of the Treasury, or their duly appointed representatives. The financial statements shall be prepared in accordance with generally accepted accounting principles.
- D.10. Prevailing Wage Rates. All contracts for construction, erection, or demolition or to install goods or materials that involve the expenditure of any funds derived from the State require compliance with the prevailing wage laws as provided in *Tennessee Code Annotated*, Section 12-4-401, *et seq.*

- D.11. Monitoring. The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.12. Progress Reports. The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.13. Strict Performance. Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.
- D.14. Independent Contractor. The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- The Contractor, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Contractor's employees, and to pay all applicable taxes incident to this Contract.
- D.15. State Liability. The State shall have no liability except as specifically provided in this Contract.
- D.16. Force Majeure. The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.17. State and Federal Compliance. The Contractor shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.18. Governing Law. This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Contractor agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract.
