Justification For Utilization

The Case Management contracts were developed in an effort to maintain compliance with the Brian A Settlement Agreement as it relates to caseload caps for Case Managers in the field (Civ. Act. 3:00-0445 <http://www.documentcloud.org/documents/486453-brian-a-vs-bill-haslam-modified-settlement.html>, Section V. Staff Qualifications, Training, Caseloads, and Supervision, page 8). Given the nature of Child Welfare there is an anticipated high incidence of turn over due to a myriad of reasons – resignations, FLMA & maternity leave as well as personnel actions. The turnover is especially prevalent in certain areas of the State and changes indiscriminately. The Case Management contract allows the Department to fill the gaps when the turnover results in an increase in caseload assignments that violates the Brian A mandated caps.

Since the shifts in caseloads occur indiscriminately and inconsistently across the State, the Department has instituted this external contract that allows access to trained professional case managers that can temporarily assume the responsibility for case management and maintain the Department's compliance with the Brian A. Settlement Agreement.

As you may know, the hiring and training of Case Manager takes a fairly significant amount of time. Case Managers must go through the hiring process, attend pre-service training of 160 hours and shadow an experienced case worker prior to the assignment of a caseload. All these factors contribute to the necessity for the Case Management contracts.

As you will note, there has been slow start in terms of the utilization of the Case Management contracts. There are several reasons for the underutilization:

- The Case Management contract was effective October 01, 2014. However, the process of implementation takes time in order to build up to full capacity. Regions have to identify the cases that meet the criteria for the services, information has to be gathered and shared prior to the full transition of the case.
- As mentioned previously, the need for this service is dependent on the turnover rate in each region. In some regions and parts of the state there has been significant turnover in others there has been only modest turnover.
- Another contributing factor to the low utilization of the contracts for the first year of implementation is that this contract began on October 01, 2014. Full implementation did not occur until around February.
- There are still significant outstanding invoices that have not been billed under this contract.

It is the Department's view that the need for these contracts is critical for the reasons articulated. Furthermore, it is our contention that these contracts will see a more robust utilization now that the process has been fully implemented. It is the Department's hope that the need for these contracts will eventually diminish over time as we focus more attention on staff retention. Your consideration of the name change request is very much appreciated.

In 1996, Omni Visions moved to providing level two (2) and level three (3) continuum of care services for the State of Tennessee. Under the continuum model, children and their families receive an array of individualized services through residential treatment facilities, treatment foster homes, and intensive in-home services. Omni Visions offers a statewide network of out of home placements, including over seven hundred fifty (750) treatment foster and adoptive homes and fifteen (15) collaborating Residential Treatment Facilities. Each facility is credentialed by a national accrediting agency, operates a Department of Education approved school, and has specialized mental health professionals to meet the individual needs of children and their families. Omni Visions also has a statewide network of licensed therapists, mentors, tutors, behavioral specialists, and other supporting staff to help families and youth meet their highest potential with local, individualized resources.</p> <p>In 2007, Omni Visions formed a partnership with Foothills Care, expanding in-home support services, case management and outpatient treatment services to adults, children and families throughout Tennessee. Re: Foothills Care, Inc. Contracts

Dear Ms. White:

I am the President of Omni Visions, Inc., a Tennessee corporation ("OVI"), which is the parent corporation and sole shareholder of its two subsidiaries, Foothills Care, Inc. and Omni Community Health, Inc., both Tennessee corporations and both of which are presently licensed providers with the State of Tennessee Department of Children's Services and other state agencies. This letter is in partial response to your email dated June 20, 2014 to Jim Pedigo of Foothills Care, Inc. ("FHC") in which you requested that Mr. Pedigo send you copies of legal documents regarding a name change of FHC that Mr. Pedigo had indicated would become effective September 1, 2014.

In an effort to simplify its organizational structure, the Board of Directors of OVI has approved a corporate restructuring plan by which at the appropriate time in the future (we are targetting September 1, 2014), FHC will merge with and into Omni Community Health, Inc. ("OCH") as a result of which merger OCH will be the surviving corporation and will succeed to all the rights and privileges of FHC and will own all of FHC's assets (including its provider agreements and other contracts). Both before and after this merger (the "Merger"), OCH will be a wholly owned subsidiary of OVI. However, as a result of the Merger, FHC will no longer exist legally but OCH will continue its business. This will simplify OVI's organizational structure by elimination of one subsidiary but will not affect the business previously conducted by FHC, which will be conducted by OCH after the Merger.

Because of "change of control" and similar limitations in the provider contracts to which FHC is a party, we will need approval from the Department of Children's Services and other appropriate agencies before legal documents as to the Merger can be filed with the Office of the Tennessee Secretary of State ("SOS") as required by Tennessee corporate law. If you ask us to do so, we will provide you with copies of the merger documents after filing with the SOS. If you want to review and approve drafts of these documents before filing with the SOS, we will

send these documents for your advance review and approval. If you are comfortable in doing so, a conditional letter of approval of the Merger based on our filing with the SOS of the Merger-related documents that your office has reviewed and approved will be sufficient to allow us to proceed with the Merger.

Regardless, we cannot proceed with the Merger until we receive approvals to avoid any default or breach of any FHC (or OCH) provider agreements as a result of the proposed transaction. Keep in mind that the sole shareholder of OCH will remain the same before and after the Merger and that the new entity that will be responsible for performance under the FHC agreements will be owned by OVI as is FHC at the present time.

Although I am happy to provide you with additional information to enable you to process this request, it will be easier from a logistical standpoint if you continue to work with Mr. Pedigo directly as to any specific information needed. However, let me know if you have any additional questions or require any additional information from or about OVI. Your cooperation in promptly processing our request for approval of the Merger will be appreciated.

Sincerely,

Eric Strickland, President/CEO

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in section C.3. The State is under no obligation to request work from the Contractor in any specific dollar amounts or to request any work at all from the Contractor during any period of this Contract.

- C.2. Compensation Firm. The payment rates and the maximum liability of the State under this Contract are firm for the duration of the Contract and are not subject to escalation for any reason unless amended.
- C.3. Payment Methodology. The Contractor shall be compensated based on the payment rates herein for units of service authorized by the State in a total amount not to exceed the Contract Maximum Liability established in section C.1.

- a. The Contractor's compensation shall be contingent upon the satisfactory completion of units, milestones, or increments of service defined in section A.
- b. The Contractor shall be compensated for said units, milestones, or increments of service based upon the following payment rates:

Service Description	Amount (per compensable increment)

At the sole discretion of the State, the amount per compensable increment of any service for which the State receives an invoice later than prescribed herein shall be subject to a reduction in amount of up to 100%. In the case of an untimely invoice, before any payment will be considered by the State, the Contractor must submit a written request regarding the untimely invoice, which shall detail the reason the invoice is untimely as well as the Contractor's plan for submitting all future invoices no later than prescribed herein, and it must be signed by an individual empowered to bind the Contractor to this Contract.

- c. The Contractor shall not be compensated for travel time to the primary location of service provision.
- d. A "day" shall be defined as a minimum of eight (8) hours of service. If the Contractor provides fewer than eight hours of service in a standard twenty-four hour day, the Contractor shall bill *pro rata* for only those portions of the day in which service was actually delivered. The Contractor shall not bill more than the daily rate even if the Contractor works more than eight hours in a day.
- C.4. Travel Compensation. The Contractor shall not be compensated or reimbursed for travel, meals, or lodging.
- C.5. Invoice Requirements. The Contractor shall invoice the State only for completed increments of service and for the amount stipulated in section C.3, above, and present said invoices no more often than monthly, with all necessary supporting documentation, to:

- C.7. Invoice Reductions. - D.2. **Modification and Amendment.** This Contract may be modified only by a written amendment signed by all parties hereto and approved by both the officials who approved the base contract and, depending upon the specifics of the contract as amended, any additional officials required by Tennessee laws and regulations (said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).
- D.3. **Termination for Convenience.** The State may terminate this Contract without cause for any reason. Said termination shall not be deemed a breach of contract by the State. The State shall give the Contractor at least thirty (30) days written notice before the effective termination date. The Contractor shall be entitled to compensation for satisfactory, authorized service completed as of the termination date, but in no event shall the State be liable to the Contractor for compensation for any service which has not been rendered. Upon such termination, the Contractor shall have no right to any actual general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- D.4. **Termination for Cause.** If the Contractor fails to properly perform its obligations under this Contract in a timely or proper manner, or if the Contractor violates any terms of this Contract, the State shall have the right to immediately terminate the Contract and withhold payments in excess of fair compensation for completed services. Notwithstanding the above, the Contractor shall not be relieved of liability to the State for damages sustained by virtue of any breach of this Contract by the Contractor.
- D.5. **Subcontracting.** The Contractor shall not assign this Contract or enter into a subcontract for any of the services performed under this Contract without obtaining the prior written approval of the State. If such subcontracts are approved by the State, each shall contain, at a minimum, sections of this Contract below pertaining to "Conflicts of Interest," "Nondiscrimination," and "Records" (as identified by the section headings). Notwithstanding any use of approved subcontractors, the Contractor shall be the prime contractor and shall be responsible for all work performed.
- D.6. **Conflicts of Interest.** The Contractor warrants that no part of the total Contract Amount shall be paid directly or indirectly to an employee or official of the State of Tennessee as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant to the Contractor in connection with any work contemplated or performed relative to this Contract.
- The Contractor acknowledges, understands, and agrees that this Contract shall be null and void if the Contractor is, or within the past six months has been, an employee of the State of Tennessee or if the Contractor is an entity in which a controlling interest is held by an individual who is, or within the past six months has been, an employee of the State of Tennessee.

- D.8. **Prohibition of Illegal Immigrants.** The requirements of *Tennessee Code Annotated*, Section 12-4-124, *et seq.*, addressing the use of illegal immigrants in the performance of any Contract to supply goods or services to the state of Tennessee, shall be a material provision of this Contract, a breach of which shall be grounds for monetary and other penalties, up to and including termination of this Contract.
- a. The Contractor hereby attests, certifies, warrants, and assures that the Contractor shall not knowingly utilize the services of an illegal immigrant in the performance of this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant in the performance of this Contract. The Contractor

shall reaffirm this attestation, in writing, by submitting to the State a completed and signed copy of the document at Attachment A, hereto, semi-annually during the period of this Contract. Such attestations shall be maintained by the Contractor and made available to state officials upon request.

- b. Prior to the use of any subcontractor in the performance of this Contract, and semi-annually thereafter, during the period of this Contract, the Contractor shall obtain and retain a current, written attestation that the subcontractor shall not knowingly utilize the services of an illegal immigrant to perform work relative to this Contract and shall not knowingly utilize the services of any subcontractor who will utilize the services of an illegal immigrant to perform work relative to this Contract. Attestations obtained from such subcontractors shall be maintained by the Contractor and made available to state officials upon request.
 - c. The Contractor shall maintain records for all personnel used in the performance of this Contract. Said records shall be subject to review and random inspection at any reasonable time upon reasonable notice by the State.
 - d. The Contractor understands and agrees that failure to comply with this section will be subject to the sanctions of *Tennessee Code Annotated, Section 12-4-124, et seq.* for acts or omissions occurring after its effective date. This law requires the Commissioner of Finance and Administration to prohibit a contractor from contracting with, or submitting an offer, proposal, or bid to contract with the State of Tennessee to supply goods or services for a period of one year after a contractor is discovered to have knowingly used the services of illegal immigrants during the performance of this Contract.
 - e. For purposes of this Contract, "illegal immigrant" shall be defined as any person who is not either a United States citizen, a Lawful Permanent Resident, or a person whose physical presence in the United States is authorized or allowed by the federal Department of Homeland Security and who, under federal immigration laws and/or regulations, is authorized to be employed in the U.S. or is otherwise authorized to provide services under the Contract.

- D.11. **Monitoring.** The Contractor's activities conducted and records maintained pursuant to this Contract shall be subject to monitoring and evaluation by the State, the Comptroller of the Treasury, or their duly appointed representatives.
- D.12. **Progress Reports.** The Contractor shall submit brief, periodic, progress reports to the State as requested.
- D.13. **Strict Performance.** Failure by any party to this Contract to insist in any one or more cases upon the strict performance of any of the terms, covenants, conditions, or provisions of this Contract shall not be construed as a waiver or relinquishment of any such term, covenant, condition, or provision. No term or condition of this Contract shall be held to be waived, modified, or deleted except by a written amendment signed by the parties hereto.

- D.14. **Independent Contractor.** The parties hereto, in the performance of this Contract, shall not act as employees, partners, joint venturers, or associates of one another. It is expressly acknowledged by the parties hereto that such parties are independent contracting entities and that nothing in this Contract shall be construed to create an employer/employee relationship or to allow either to exercise control or direction over the manner or method by which the other transacts its business affairs or provides its usual services. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purpose whatsoever.
- The Contractor, being an independent contractor and not an employee of the State, agrees to carry adequate public liability and other appropriate forms of insurance, including adequate public liability and other appropriate forms of insurance on the Contractor's employees, and to pay all applicable taxes incident to this Contract.
- D.15. **State Liability.** The State shall have no liability except as specifically provided in this Contract.
- D.16. **Force Majeure.** The obligations of the parties to this Contract are subject to prevention by causes beyond the parties' control that could not be avoided by the exercise of due care including, but not limited to, natural disasters, riots, wars, epidemics, or any other similar cause.
- D.17. **State and Federal Compliance.** The Contractor shall comply with all applicable State and Federal laws and regulations in the performance of this Contract.
- D.18. **Governing Law.** This Contract shall be governed by and construed in accordance with the laws of the State of Tennessee. The Contractor agrees that it will be subject to the exclusive jurisdiction of the courts of the State of Tennessee in actions that may arise under this Contract. The Contractor acknowledges and agrees that any rights or claims against the State of Tennessee or its employees hereunder, and any remedies arising therefrom, shall be subject to and limited to those rights and remedies, if any, available under *Tennessee Code Annotated*, Sections 9-8-101 through 9-8-407.
- D.19. **Completeness.** This Contract is complete and contains the entire understanding between the parties relating to the subject matter contained herein, including all the terms and conditions of the parties' agreement. This Contract supersedes any and all prior understandings, representations, negotiations, and agreements between the parties relating hereto, whether written or oral.
- D.20. **Severability.** If any terms and conditions of this Contract are held to be invalid or unenforceable as a matter of law, the other terms and conditions hereof shall not be affected thereby and shall remain in full force and effect. To this end, the terms and conditions of this Contract are declared severable.
- D.21. **Headings.** Section headings of this Contract are for reference purposes only and shall not be construed as part of this Contract.
- E. SPECIAL TERMS AND CONDITIONS:**
- E.1. **Conflicting Terms and Conditions.** Should any of these special terms and conditions conflict with any other terms and conditions of this Contract, these special terms and conditions shall control.

Said termination shall not be deemed a breach of Contract by the State. Upon receipt of the written notice, the Contractor shall cease all work associated with the Contract. Upon such termination, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.4. Tennessee Consolidated Retirement System. The Contractor acknowledges and understands that, subject to statutory exceptions contained in *Tennessee Code Annotated*, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System (TCRS), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established pursuant to *Tennessee Code Annotated*, Title 8, Chapter 35, Part 3 accepts state employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor, if a retired member of TCRS, may be required to repay to TCRS the amount of retirement benefits the Contractor received from TCRS during the period of this Contract.
- E.5 Tennessee Department of Revenue Registration. The Contractor shall be registered with the Department of Revenue for the collection of Tennessee sales and use tax. This registration requirement is a material requirement of this Contract.

- (4) Professional Malpractice Liability with a limit of not less than one million dollars (\$1,000,000) per claim and two million dollars (\$2,000,000) aggregate.

b. At any time State may require the Contractor to provide a valid Certificate of Insurance detailing Coverage Description; Insurance Company & Policy Number; Exceptions and Exclusions; Policy Effective Date; Policy Expiration Date; Limit(s) of Liability; and Name and Address of Insured. Failure to provide required evidence of insurance coverage shall be a material breach of this Contract.

E.7 Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.

The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. Nothing in this paragraph shall permit Contractor to disclose any information that is confidential under federal or state law or regulations, regardless of whether it has been disclosed or made available to the Contractor due to intentional or negligent actions or inactions of agents of the State or third parties.

It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.

Upon termination of this Contract, all property furnished shall be returned to the State in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Contractor shall be responsible to the State for the residual value of the property at the time of loss.

It is expressly understood and agreed that the obligations set forth in this section shall survive the termination of this Contract in perpetuity.
- E.11. **Public Accountability.** If the Contractor is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Contract involves the provision of services to citizens by the Contractor on behalf of the State, the Contractor agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Contractor shall display in a prominent place, located near the passageway through which the public enters in order to receive services pursuant to this Contract, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:
- NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454
- E.12. **Environmental Tobacco Smoke.** Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Contractor shall prohibit smoking of tobacco products within any indoor premises in which services are provided pursuant to this Contract to individuals under the age of eighteen (18) years. - E.13. **Lobbying.** The Contractor certifies, to the best of its knowledge and belief, that:
- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
 - b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

- c. The Contractor shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- E.14. **Debarment and Suspension.** The Contractor certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:
 - a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
 - b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offence in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
 - c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
 - d. have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Contractor shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.

- E.15. **Breach.** A party shall be deemed to have breached the Contract if any of the following occurs:
 - failure to perform in accordance with any term or provision of the Contract;
 - partial performance of any term or provision of the Contract;
 - any act prohibited or restricted by the Contract, or
 - violation of any warranty.

For purposes of this Contract, these items shall hereinafter be referred to as a "Breach."

- a. **Contractor Breach—** The State shall notify Contractor in writing of a Breach.
 - (1) In event of a Breach by Contractor, the State shall have available the remedy of Actual Damages and any other remedy available at law or equity.
 - (2) **Liquidated Damages—** In the event of a Breach, the State may assess Liquidated Damages. The State shall notify the Contractor of amounts to be assessed as Liquidated Damages. The parties agree that due to the complicated nature of the Contractor's obligations under this Contract it would be difficult to specifically designate a monetary amount for a Breach by Contractor as said amounts are likely to be uncertain and not easily proven. Contractor hereby represents and covenants it has carefully reviewed the Liquidated Damages contained in above referenced, Attachment B and agree that said amounts represent a reasonable relationship between the amount and what might reasonably be expected in the event of Breach, and are a reasonable estimate of the damages that would occur from a Breach. It is hereby agreed between the parties that the Liquidated

Damages represent solely the damages and injuries sustained by the State in losing the benefit of the bargain with Contractor and do not include any injury or damage sustained by a third party. The Contractor agrees that the liquidated damage amount is in addition to any amounts Contractor may owe the State pursuant to the indemnity provision or other section of this Contract.

The State may continue to withhold the Liquidated Damages or a portion thereof until the Contractor cures the Breach, the State exercises its option to declare a Partial Default, or the State terminates the Contract. The State is not obligated to assess Liquidated Damages before availing itself of any other remedy. The State may choose to discontinue Liquidated Damages and avail itself of any other remedy available under this Contract or at law or equity; provided, however, Contractor shall receive a credit for said Liquidated Damages previously withheld except in the event of a Partial Default.

- (3) **Partial Default**— In the event of a Breach, the State may declare a Partial Default. In which case, the State shall provide the Contractor written notice of: (1) the date which Contractor shall terminate providing the service associated with the Breach; and (2) the date the State will begin to provide the service associated with the Breach. Notwithstanding the foregoing, the State may revise the time periods contained in the notice written to the Contractor.

In the event the State declares a Partial Default, the State may withhold, together with any other damages associated with the Breach, from the amounts due the Contractor the greater of: (1) amounts which would be paid the Contractor to provide the defaulted service; or (2) the cost to the State of providing the defaulted service, whether said service is provided by the State or a third party. To determine the amount the Contractor is being paid for any particular service, the Department shall be entitled to receive within five (5) days any requested material from Contractor. The State shall make the final and binding determination of said amount.

The State may assess Liquidated Damages against the Contractor for any failure to perform which ultimately results in a Partial Default with said Liquidated Damages to cease when said Partial Default is effective. Upon Partial Default, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount. Contractor agrees to cooperate fully with the State in the event a Partial Default is taken.

- (4) **Contract Termination**— In the event of a Breach, the State may terminate the Contract immediately or in stages. The Contractor shall be notified of the termination in writing by the State. Said notice shall hereinafter be referred to as Termination Notice. The Termination Notice may specify either that the termination is to be effective immediately, on a date certain in the future, or that the Contractor shall cease operations under this Contract in stages. In the event of a termination, the State may withhold any amounts which may be due Contractor without waiver of any other remedy or damages available to the State at law or at equity. The Contractor shall be liable to the State for any and all damages incurred by the State and any and all expenses incurred by the State which exceed the amount the State would have paid Contractor under this Contract. Contractor agrees to cooperate with the State in the event of a Contract Termination or Partial Takeover.

- b. **State Breach**— In the event of a Breach of Contract by the State, the Contractor shall notify the State in writing within 30 days of any Breach of Contract by the State. Said notice shall contain a description of the Breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the State's Breach. In no event shall any Breach on the part of the State excuse the Contractor from full performance under this Contract. In the event of Breach by the State, the Contractor may

avail itself of any remedy at law in the forum with appropriate jurisdiction; provided, however, failure by the Contractor to give the State written notice and opportunity to cure as described herein operates as a waiver of the State's Breach. Failure by the Contractor to file a claim before the appropriate forum in Tennessee with jurisdiction to hear such claim within one (1) year of the written notice of Breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties this provision establishes a contractual period of limitations for any claim brought by the Contractor.

- E.16. **Partial Takeover.** The State may, at its convenience and without cause, exercise a partial takeover of any service which the Contractor is obligated to perform under this Contract, including but not limited to any service which is the subject of a subcontract between Contractor and a third party, although the Contractor is not in breach (hereinafter referred to as "Partial Takeover"). Said Partial Takeover shall not be deemed a Breach of Contract by the State. Contractor shall be given at least 30 days prior written notice of said Partial Takeover with said notice to specify the area(s) of service the State will assume and the date of said assumption. Any Partial Takeover by the State shall not alter in any way Contractor's other obligations under this Contract. The State may withhold from amounts due the Contractor the amount the Contractor would have been paid to deliver the service as determined by the State. The amounts shall be withheld effective as of the date the State assumes the service. Upon Partial Takeover, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.17. **Unencumbered Personnel.** All persons assigned by the Contractor to perform services for the State under this Contract, whether they are employees, agents, subcontractors, or principals of the Contractor, shall not be subject to any employment contract or restrictive covenant provisions which would preclude those persons from performing the same or similar services for the State after the termination of this Contract, either as a State employee, an independent contractor, or an employee, agent, subcontractor or principal of another contractor with the State. If the Contractor provides the State with the services of any person subject to a restrictive covenant or contractual provision in violation of this provision, any such restrictive covenant or contractual provision will be void and unenforceable, and the Contractor will pay the State and any person involved all of its expenses, including attorneys fees, caused by attempts to enforce such provisions.

 - iv. Change in pension value. This is the change in present value of defined benefit and actuarial pension plans.
 - v. Above-market earnings on deferred compensation which is not tax qualified.

- E.20. First Amendment. The Contractor does not waive its rights under the First Amendment to the United States Constitution.

The Contractor will be notified at the time documentation is requested of the date by which the submission is required. The Contractor shall complete a

Failure to submit the above-stated documentation on the specified date shall be deemed a breach of the Contract and the State shall have the right to terminate the Contract for cause under Section D.4. of the Contract, or to consider such failure a Partial Default.

- E.23. Supplemental Conflict of Interest. The Contractor shall not have as any owner, member of the board of directors, or member of the board of trustees, a person who also holds any other position that may influence the placements provided to children in the plaintiff class of Brian A. v. Haslam. Such positions include, but are not limited to juvenile court judges, referees, or other court officers involved in the individual cases of children in foster care.
- E.24. Title VI of the Civil Rights Act of 1964. The Contractor shall develop and deliver to the State on or before July 31st of each fiscal year an implementation plan that describes the Contractor's long-range goals and objectives that will guide the Contractor's efforts to ensure compliance with Title VI of the Civil Rights Act of 1964 pursuant to the guidelines established by the Tennessee Title VI Compliance Commission. - E.25. Supplemental Subcontracting. In accordance with the Brian A. Settlement Agreement (specifically, the Racial Disparities Study conducted by Dr. Ruth McRoy) the State is actively working toward decreasing the racial disparity between service providers and target service populations. To help correct this disparity, the State strongly recommends, in situations where subcontracts are necessary, that the Contractor subcontract for services with minority owned or operated subcontractors that can assist the Contractor in meeting the needs of the children and families that are served. The State requires the Contractor to support the State's commitment to achieving diversity and developing programs that reflect the diversity of the population served.
- E.26. Monitoring Sub-Contractors. The Contractor shall develop written procedures for monitoring all of its State-approved subcontractors. The procedures must clearly outline the process for assuring that all subcontractors are in compliance with the DCS and Provider Policy Manuals and the subcontracting guidelines detailed at the following web site:

- E.27. **Working Capital.** The Contractor must have a minimum of sixty (60) days working capital in the event payment to the Contractor is interrupted by an emergency or for reasons beyond the Contractor's control to ensure continuity of operations. Working capital must be documented by a review of the Contractor's balance sheet and income statement. Working capital is defined as current assets minus current liabilities. Current assets may include marketable securities as long as they have not been legally pledged against a long term equity interest. Credit lines are not working capital.
- Working capital requirements shall be met at the time of initial contracting and maintained during subsequent contracting periods. In the event working capital declines below the sixty (60) day requirement, the Contractor shall be placed on probation and the Contract will be subject to cancellation at the discretion of the State.
- E.28. **Financial Statements.** The Contractor shall submit to the State independently audited financial statements containing an auditor's report reflecting the auditor's opinion that the statements are presented fairly and found to be in conformity with generally accepted accounting principles. Where the financial statements are for a parent company of the entity providing the service, the Contract must be in the name of the parent company and signed by an authorized representative of the parent company. The entity providing the service may be identified within the Contract as the service provider; however, financial responsibility will belong to the parent company.
- E.29. **Performance Standards.** The Contractor hereby acknowledges and agrees that its performance under this Contract shall meet the standards set forth in Section A of this Contract, the DCS Provider Policy Manual (PPM), DCS Policy, the Brian A. Settlement Agreement, and the conditions set forth in this Contract. If the Contractor fails to meet these standards, the State, at its exclusive option, may allow up to six (6) months for the provider to achieve compliance with the standards. If performance deficiencies are not resolved to the satisfaction of the State within the prescribed time, and if no extenuating circumstances can be documented by the Contractor to the State's satisfaction, the State may cancel the Contract at the State's discretion.
- E.30. **State Ownership of Case Files.** The State shall have ownership, right, title, and interest in all case files created, designed, developed, derived, documented, installed, or maintained on behalf of the State pursuant to this Contract. The State shall have unlimited rights to all said case files. The Contractor shall furnish such information and data upon the request of the State, in accordance with this Contract and applicable State law.
- E.31. **Mergers, Dissolutions, Partnerships & Joint Ventures.** As would be the case with any agency dissolution, merger, or acquisition, the agency and the State have financial responsibilities requiring resolution. The Contractor is required to provide ninety (90) days notification prior to any dissolution, merger, or acquisition.

In the event an agency is dissolved, the State maintains rights to assets (representing accounts payable/reinvestment due to the State) as may be distributed voluntarily or by court action. Additionally, the State acknowledges its responsibility for its liabilities (representing accounts payable/reinvestment due to the Contractor).

In the event an agency is merged or acquired by another agency/entity then the due to/from financial responsibilities shall be commensurate with the Articles to the Merger or Acquisition.

Contractor warrants to the State that it is familiar with the requirements of HIPAA and HITECH and their accompanying regulations, and shall comply with all applicable HIPAA and HITECH requirements in the course of this Contract including but not limited to the following:

Agree that if it is not in compliance with all applicable standards defined within the transactions and code sets, privacy, security and all subsequent HIPAA/HITECH standards, that it will be in breach of this Contract and will then take all reasonable steps to cure the breach or end the violation as applicable. Since inability to meet the transactions and code sets requirements, as well as the privacy and security requirements can bring basic business practices between TennCare and the Contractor

The Contractor shall complete such return or destruction as promptly as possible, but not later than thirty (30) days after the effective date of the termination, cancellation, expiration or other conclusion of the Agreement. The Contractor shall identify any PHI that cannot feasibly be returned or destroyed. Within such thirty (30) days after the effective date of the termination, cancellation, expiration or other conclusion of the Agreement, the Contractor shall: (1) certify on oath in writing that such return or destruction has been completed; (2) identify any PHI which cannot feasibly be returned or destroyed; and (3) certify that it will only use or disclose such PHI for those purposes that make its return or destruction infeasible;
