**Estimated Annual Volume:** New Max Liability / 5 years  
**Spend to Date:** \$192,757.35

**Original Estimated Annual Cost Savings (if any):**

No cost savings information available

**Background: Contract Line Items:**

Agency contract 36911 was competitively procured and awarded to System Scale Corporation. However, funding was established based on the total dollar value of the lines on the contract rather than the projected total funding. In order to have funds available if truck scale repairs are needed during the life of the contract, a funding increase is required.

Please see lines below.
