## **ATC#: 48247 – TDEC WTRBA Stream Construction**

**Contract Start Date:** November 12, 2015

**System Expiration Date:** November 11, 2016

**Maximum Liability:** \$514,600.00

**Spend to Date:** \$274,058.67 from November 12, 2015 to April 12, 2016

**Original Number of Renewals:** 0

**Renewals Remaining:** 0

**Background:** This contract is a one-year, agency term contract for Tennessee Department of Environment and Conservation for stream construction with West Tennessee River Basin Authority.

**Request:** TDEC is asking to extend the contract to May 11, 2017, and add \$300,000.00. This extension will exercise the entire 180 day extension option in the original contract. The actual stream construction workload is more than estimated; the contract extension and additional funds will provide uninterrupted service for the completion of the current stream construction projects. The current projects are grant-funded and active.
