The Honorable Ron Travis, Chairman
Fiscal Review Committee
774 Cordell Hull Building
Nashville, TN 37243

Dear Chairman Travis:

The Tennessee Department of Correction (TDOC) wishes to amend its current contract for the operation of the South Central Correctional Facility (SCCF) to extend the contract term for an additional year and to increase the maximum liability accordingly. This extension will allow continued necessary services and is permissible pursuant to Tenn. Code Ann. §41-24-105(f).

In keeping with the Private Prison Contracting Act of 1986 (Tenn. Code Ann. 41, Chapter 24), the Department of Correction intends to issue a Request for Proposals (RFP) to solicit proposals for the operation of SCCF and award a contract that would begin July 1, 2020. This extension will provide time for key performance indicators (KPIs) to be included in the upcoming RFP and resulting contract and will allow necessary services to continue until the new contract could be awarded.

There are numerous inmate lawsuits that have been filed against CoreCivic, Inc. just as there are numerous inmate lawsuits filed against TDOC. TDOC Legal staff finds no records concerning allegations of fraudulent activity by this vendor.

An amendment request with all required supporting documentation to permit this amendment was submitted to the Commissioner of General Services and the Comptroller of the Treasury simultaneously with this submission to the Fiscal Review Committee.

We appreciate your consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tony Parker".

Tony Parker

The Honorable Ken Yager, Chairman
Fiscal Review Committee
774 Cordell Hull Building
Nashville, TN 37243

Dear Chairman Yager:

The Tennessee Department of Correction (TDOC) wishes to amend its current contract for the operation of the South Central Correctional Facility (SCCF) to extend the contract term for an additional year and to increase the maximum liability accordingly. This extension will allow continued necessary services and is permissible pursuant to Tenn. Code Ann. §41-24-105(f).

In keeping with the Private Prison Contracting Act of 1986 (Tenn. Code Ann. 41, Chapter 24), the Tennessee Department of Correction (TDOC) intends to issue a Request for Proposals (RFP) to solicit proposals for the operation of SCCF and award a contract that would begin July 1, 2018. In the event of a protest, this extension would allow necessary services to continue until the new contract could be awarded.

There are numerous inmate lawsuits which have been filed against CoreCivic, Inc. just as there are numerous inmate lawsuits filed against TDOC. TDOC Legal staff finds no records concerning allegations of fraudulent activity by this vendor.

An amendment request with all required supporting documentation to permit this amendment was submitted to the Commissioner of General Services and the Comptroller of the Treasury simultaneously with this submission to the Fiscal Review Committee.

We appreciate your consideration of this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Tony Parker".

Tony Parker

The Honorable Ken Yager, Chairman
Fiscal Review Committee
774 Cordell Hull Building
Nashville, TN 37243

Dear Chairman Yager:

As you know, on May 30, 2018, the Department of Correction (DOC) presented an amendment to its current contract for the operation of the South Central Correctional Facility (SCCF) to extend the contract terms for an additional year, increase the maximum liability accordingly, and reflect a vendor name change.

Since that date, the staff of the Attorney General's Office and the Office of the State Architect has worked with the legal staff of the Central Procurement Office regarding revisions to standard model language prior to approval. The revisions do not affect the scope of services, the term, nor the maximum liability as presented to the Committee. In addition to the model language changes, signature lines for all approving bodies have been added.

To ensure the Committee is fully aware of the revisions to the amendment as presented, a copy of the revised amendment is attached with the changes highlighted.

Sincerely,

A handwritten signature in black ink that reads "Tony Parker" followed by a small mark that looks like "CF".

Corrections Corporation of America Rebrands as CoreCivic

CoreCivic | 10/28/16 12:53 PM

Corrections Corporation of America today announced that it is rebranding its corporate enterprise as CoreCivic. Under the CoreCivic brand, the company will provide three distinct business offerings: CoreCivic Safety, a national leader in high quality corrections and detention management; CoreCivic Properties, offering a wide range of innovative, cost-saving government real estate solutions; and, CoreCivic Community, a growing network of residential reentry centers to help tackle America's recidivism crisis.

“Rebranding as CoreCivic is the culmination of a multi-year strategy to transform our business from largely corrections and detention services to a wider range of government solutions,” said Damon T. Hininger, the company’s President and Chief Executive Officer. “The CoreCivic name speaks to our ability to solve the tough challenges facing government at all levels and to the deep sense of service that we feel every day to help people.”

The CoreCivic Name: Solving Tough Government Problems; a Strong Sense of Service

Over the past several years, Hininger and his executive management team have spearheaded an aggressive strategy to diversify the company’s business. This has included converting to a Real Estate Investment Trust (REIT), making unprecedented public commitments to expand reentry programs at correctional facilities, launching a comprehensive real estate solutions business, and investing nearly \$250 million to acquire and build an expanding network of residential reentry and community corrections facilities.

“We’ve listened closely to our employees, partners and investors, and there’s a strong recognition and appreciation for what we’ve built over more than 30 years,” said Hininger. “At the same time, we know we can do even more to serve the needs of our government partners and the greater public good. CoreCivic reflects the company we are today and provides us with a platform to continue to grow where our partners want and need solutions.”

The company's specific rebranding effort began when it decided to launch a new, dedicated real estate solutions business in mid-2015. As the company continued to acquire residential reentry businesses, the effort rapidly evolved into considering an enterprise-wide name change. After an intense research, brand strategy and creative process, the Board of Directors authorized changing the company’s charter to reflect the CoreCivic name on August 11, 2016, which the company intends to be legally effected by year-end. The name change will not affect the rights of the company's stockholders and the company's common stock ticker symbol on the New York Stock Exchange will remain unchanged.

“The management team has successfully executed a well-planned strategy to diversify the business, and rebranding became a natural evolution of that process,” said Mark A. Emkes, Non-Executive Chairman of the company's Board of Directors. “We’re excited about the potential for the CoreCivic brand to accelerate the company’s growth and value-creation in new areas. We also believe the new brand will help galvanize our efforts to play an even bigger role in making a positive difference in our communities and individual lives.”

CoreCivic’s Visual Identity: Innovation, Public Service and Professionalism

As part of the rebranding, the company has also adopted a new visual identity. This includes a bolder, sleeker and more modern typeface, as well as a color palette intended to evoke attributes such as safety, strength, passion, stability, integrity and seriousness. The brand’s symbol, a 13-stripe American flag stylized to also represent a building, speaks to the company’s commitment to

public service, the professionalism of its employees and its expanding government real estate focus. There's also a nod to the company's heritage with the right side of the symbol angled at 19.83°, representing the year that the company was founded, and the left side of the symbol angled at 20.16° to mark the year the company rebranded as CoreCivic.

“Our government partners value the dependability and professionalism of our people, and our people share a deep sense of service with our government partners,” said Executive Vice President and Chief Development Officer Tony Grande. “Our new name and identity speak emotionally to our strengths while expanding the scope of solutions that we can offer our partners. We're excited about the work ahead to build and realize our new brand's full potential.”

In the coming months, the company will begin converting its facilities and other assets to the new visual identity, which will amount to a modest expense spread out over several quarters. The company does not anticipate any impact of the rebranding on its contractual relationships with government partners.

“Government has core responsibilities that are vital for safe, healthy and thriving communities. But in our increasingly complex and budget-constrained world, performing these basic functions is becoming harder to do,” added Hininger. “For more than three decades, our company has been an innovative, dependable partner for government. As CoreCivic, we will continue to bring the scale, experience and professionalism needed to solve problems for our partners and serve the greater public good.”

Ms. Krista Lee, Executive Director
Fiscal Review Committee
Eighth Floor, Rachel Jackson Building
Nashville, TN 37243

Dear Ms. Lee:

The Department of Correction has performed a comparative analysis for South Central Correctional Facility, Northeast Correctional Complex, and Northwest Correctional Complex pursuant to TCA §41-24-100. The comparison was conducted as required by statute to serve as supporting documentation to TDOC's request to amend the current contract with Corrections Corporation of America (CCA) for the operation of the South Central Correctional Facility for the additional two years permitted by the original RFP and resulting awarded contract.

There are numerous inmate lawsuits which have been filed against CCA just as there are numerous inmate lawsuits filed against TDOC. TDOC has found nothing that indicates any significant problems.

TDOC does extensive monitoring of the CCA/SCCF operation and is confident that the operation meets standards and there is no fraudulent activity.

Sincerely,

A handwritten signature in blue ink, appearing to read "D. D. Schofield".

The Contractor is not entitled to be paid the maximum liability for any period under the Contract or any extensions of the Contract for work not requested by the State. The maximum liability represents available funds for payment to the Contractor and does not guarantee payment of any such funds to the Contractor under this Contract unless the State requests work and the Contractor performs said work. In which case, the Contractor shall be paid in accordance with the payment rates detailed in section C.3. C.6. Payment of Invoice. A payment by the State shall not prejudice the State's right to object to or question any payment, invoice, or matter in relation thereto. A payment by the State shall not be construed as acceptance of any part of the work or service provided or as approval of any amount invoiced.

C.7. Invoice Reductions. The Contractor's invoice shall be subject to reduction for amounts included in any invoice or payment theretofore made which are determined by the State, on the basis of audits conducted in accordance with the terms of this Contract, not to constitute proper remuneration for compensable services.

In the event the State exercises its right to construct additional buildings at the Facility and/or to expand the capacity of existing buildings at the Facility, the parties will negotiate a Per Diem Rate for such additional Inmates, it being the intent of the parties that the State will pay only the marginal costs for such additional Inmates. In no event shall negotiated marginal costs for additional Inmates exceed the rates in the Contractor's original proposal.

If a change occurs in an applicable Standard other than as provided in subsection b) herein, either party may notify the other in writing if it is believed said change shall affect the services delivered by the Contractor. The Commissioner shall make the final, binding decision regarding whether a change has occurred in an applicable Standard and whether said change affects the services rendered by the Contractor. Any adjustment in compensation due the Contractor shall be determined in accordance with subsection d).
 - b. If Contractor desires to make minor revisions to its Proposal which will not affect its ability to comply with the other Standards, the Contractor shall notify the Commissioner of said proposed revision in writing. Said minor revisions to the Proposal may occur only upon the prior written consent of the Commissioner. It shall be within the Commissioner's sole discretion whether or not to agree to said minor revision and his decision shall be binding. Any adjustment in compensation resulting from said minor revision shall be determined in accordance with subsection d). This provision is an exception to Section D.2.
 - c. In the event Contractor may receive payments or compensation of any nature for services it is obligated to perform under this Contract from any source, including but not limited to federal, state or local authority, or any third party, other than the compensation described in this Contract, Contractor shall receive prior written consent and direction from the State prior to receiving any such additional compensation. The State may withhold a comparable amount from any payments due the Contractor. In the event said additional compensation is used to provide enhanced or innovative services at the Facility as compared to the services provided by the Department at comparable facilities, Contractor must still receive prior written consent from the State prior to receiving said compensation before the Contractor may retain those funds. The Commissioner shall decide whether the funds will be used to provide enhanced or innovative services at the Facility.
 - d. Within thirty (30) days of the notices required in subsections a) through c) above, Contractor shall provide State with the proposed adjustment in compensation and appropriate documentation in support thereof. The State shall be afforded a sixty (60) day period in which to review the claim and effect a cure or take reasonable steps to effect a cure, if it deems a cure appropriate.

- b. In the event the Contractor timely provides the notice described in subsection a), then Contractor may file a claim against the State before the appropriate forum in Tennessee with jurisdiction to hear said claim. Failure by the Contractor to file a claim before the appropriate forum in Tennessee with jurisdiction to hear said claim within one (1) year of the notice described in subsection a) shall operate as a waiver of said claim in its entirety. It is agreed by the parties that this provision establishes a Contractual period of limitations for any claim brought by the Contractor. Neither this Section nor any other provision of this Contract creates or expands jurisdiction of any court or commission over the State.

D. STANDARD TERMS AND CONDITIONS:

- E.4. Tennessee Consolidated Retirement System. The Contractor acknowledges and understands that, subject to statutory exceptions contained in *Tennessee Code Annotated*, Section 8-36-801, *et. seq.*, the law governing the Tennessee Consolidated Retirement System (TCRS), provides that if a retired member of TCRS, or of any superseded system administered by TCRS, or of any local retirement fund established pursuant to *Tennessee Code Annotated*, Title 8, Chapter 35, Part 3 accepts state employment, the member's retirement allowance is suspended during the period of the employment. Accordingly and notwithstanding any provision of this Contract to the contrary, the Contractor agrees that if it is later determined that the true nature of the working relationship between the Contractor and the State under this Contract is that of "employee/employer" and not that of an independent contractor, the Contractor, if a retired member of TCRS, may be required to repay to TCRS the amount of retirement benefits the Contractor received from TCRS during the period of this Contract.
- E.5. Insurance. The Contractor shall carry adequate liability and other appropriate forms of insurance.
- a. Unless otherwise required by the State, all insurance provided by the Contractor shall be in conformance with the General Specifications for Insurance detailed in Appendix D. Upon written request by the State, Contractor shall revise or supplement the insurance listed on Appendix D and may seek a compensation adjustment pursuant to Section C.12.
 - b. At any time State may require the Contractor to provide a valid Certificate of Insurance detailing Coverage Description; Insurance Company & Policy Number; Exceptions and Exclusions; Policy Effective Date; Policy Expiration Date; Limit(s) of Liability; and Name and Address of Insured. Failure to provide required evidence of insurance coverage shall be a material breach of this Contract.
- E.6. Confidentiality of Records. Strict standards of confidentiality of records and information shall be maintained in accordance with applicable state and federal law. All material and information, regardless of form, medium or method of communication, provided to the Contractor by the State or acquired by the Contractor on behalf of the State shall be regarded as confidential information in accordance with the provisions of applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards. Such confidential information shall not be disclosed, and all necessary steps shall be taken by the Contractor to safeguard the confidentiality of such material or information in conformance with applicable state and federal law, state and federal rules and regulations, departmental policy, and ethical standards.
- The Contractor's obligations under this section do not apply to information in the public domain; entering the public domain but not from a breach by the Contractor of this Contract; previously possessed by the Contractor without written obligations to the State to protect it; acquired by the Contractor without written restrictions against disclosure from a third party which, to the Contractor's knowledge, is free to disclose the information; independently developed by the Contractor without the use of the State's information; or, disclosed by the State to others without restrictions against disclosure. Nothing in this paragraph shall permit Contractor to disclose any information that is confidential under federal or state law or regulations, regardless of whether it has been disclosed or made available to the Contractor due to intentional or negligent actions or inactions of agents of the State or third parties.
- It is expressly understood and agreed the obligations set forth in this section shall survive the termination of this Contract.
- E.7. Printing Authorization. The Contractor agrees that no publication coming within the jurisdiction of *Tennessee Code Annotated*, Section 12-7-101, *et. seq.*, shall be printed pursuant to this contract unless a printing authorization number has been obtained and affixed as required by *Tennessee Code Annotated*, Section 12-7-103 (d).
- E.8. State Ownership of Work Products. The State shall have ownership, right, title, and interest, including ownership of copyright, in all work products, including computer source code, created, designed, developed, derived, documented, installed, or delivered under this Contract subject to the next subsection and full and final payment for each "Work Product." The State shall have

royalty-free and unlimited rights and license to use, disclose, reproduce, publish, distribute, modify, maintain, or create derivative works from, for any purpose whatsoever, all said Work Products.

- a. To the extent that the Contractor uses any of its pre-existing, proprietary or independently developed tools, materials or information ("Contractor Materials"), the Contractor shall retain all right, title and interest in and to such Contractor Materials, and the State shall acquire no right, title or interest in or to such Contractor Materials EXCEPT the Contractor grants to the State an unlimited, non-transferable license to use, copy and distribute internally, solely for the State's internal purposes, any Contractor Materials reasonably associated with any Work Product provided under the Contract.
- b. The Contractor shall furnish such information and data as the State may request, including but not limited to computer code, that is applicable, essential, fundamental, or intrinsic to any Work Product and Contractor Materials reasonably associated with any Work Product, in accordance with this Contract and applicable state law.
- c. Nothing in this Contract shall prohibit the Contractor's use for its own purposes of the general knowledge, skills, experience, ideas, concepts, know-how, and techniques obtained and used during the course of providing the services requested under this Contract.
- d. Nothing in the Contract shall prohibit the Contractor from developing for itself, or for others, materials which are similar to and/or competitive with those that are produced under this Contract.

E.9. Competitive Procurements. This Contract provides for reimbursement of the cost of goods, materials, supplies, equipment, or contracted services. Such procurements shall be made on a competitive basis, where practical. The Contractor shall maintain documentation for the basis of each procurement for which reimbursement is paid pursuant to this Contract. In each instance where it is determined that use of a competitive procurement method was not practical, said documentation shall include a written justification, approved by the Commissioner of the Tennessee Department of Correction, for such decision and non-competitive procurement.

E.10. State Furnished Property. The Contractor shall be responsible for the correct use, maintenance, and protection of all articles of nonexpendable, tangible, personal property furnished by the State for the Contractor's temporary use under this Contract. Upon termination of this Contract, all property furnished shall be returned to the State in good order and condition as when received, reasonable use and wear thereof excepted. Should the property be destroyed, lost, or stolen, the Contractor shall be responsible to the State for the residual value of the property at the time of loss.

E.11. Incorporation of Additional Documents. Each of the following documents is included as a part of this Contract by reference. In the event of a discrepancy or ambiguity regarding the Contractor's duties, responsibilities, and performance under this Contract, these items shall govern in order of precedence below.

- a. this Contract document with any attachments or exhibits (excluding the items listed at subsections b. through e., below);
- b. any clarifications of or addenda to the Contractor's proposal seeking this Contract;
- c. the State solicitation, as may be amended, requesting proposals in competition for this Contract;
- d. any technical specifications provided to proposers during the procurement process to award this Contract;
- e. the Contractor's proposal seeking this Contract.

- E.12. Prohibited Advertising. The Contractor shall not refer to this Contract or the Contractor's relationship with the State hereunder in commercial advertising in such a manner as to state or imply that the Contractor or the Contractor's services are endorsed. It is expressly understood and agreed that the obligations set forth in this section shall survive the termination of this Contract in perpetuity.
- E.13. Public Accountability. If the Contractor is subject to *Tennessee Code Annotated*, Title 8, Chapter 4, Part 4 or if this Contract involves the provision of services to citizens by the Contractor on behalf of the State, the Contractor agrees to establish a system through which recipients of services may present grievances about the operation of the service program, and the Contractor shall display in a prominent place, located near the passageway through which the public enters in order to receive services pursuant to this Contract, a sign at least twelve inches (12") in height and eighteen inches (18") in width stating:

NOTICE: THIS AGENCY IS A RECIPIENT OF TAXPAYER FUNDING. IF YOU OBSERVE AN AGENCY DIRECTOR OR EMPLOYEE ENGAGING IN ANY ACTIVITY WHICH YOU CONSIDER TO BE ILLEGAL, IMPROPER, OR WASTEFUL, PLEASE CALL THE STATE COMPTROLLER'S TOLL-FREE HOTLINE: 1-800-232-5454

- E.14. Environmental Tobacco Smoke. Pursuant to the provisions of the federal "Pro-Children Act of 1994" and the Tennessee "Children's Act for Clean Indoor Air of 1995," the Contractor shall prohibit smoking of tobacco products within any indoor premises in which services are provided pursuant to this Contract to individuals under the age of eighteen (18) years. The Contractor shall post "no smoking" signs in appropriate, permanent sites within such premises. This prohibition shall be applicable during all hours, not just the hours in which children are present. Violators of the prohibition may be subject to civil penalties and fines. This prohibition shall apply to and be made part of any subcontract related to this Contract.

- E.15. Lobbying. The Contractor certifies, to the best of its knowledge and belief, that:

- a. No federally appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
- b. If any funds other than federally appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this contract, grant, loan, or cooperative agreement, the Contractor shall complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.
- c. The Contractor shall require that the language of this certification be included in the award documents for all sub-awards at all tiers (including subcontracts, sub-grants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into and is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, *U.S. Code*.

- E.16. Debarment and Suspension. The Contractor certifies, to the best of its knowledge and belief, that it, its current and future principals, its current and future subcontractors and their principals:

- a. are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal or state department or agency;
- b. have not within a three (3) year period preceding this Contract been convicted of, or had a civil judgment rendered against them from commission of fraud, or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) transaction or grant under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification, or destruction of records, making false statements, or receiving stolen property;
- c. are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state, or local) with commission of any of the offenses detailed in section b. of this certification; and
- d. have not within a three (3) year period preceding this Contract had one or more public transactions (federal, state, or local) terminated for cause or default.

The Contractor shall provide immediate written notice to the State if at any time it learns that there was an earlier failure to disclose information or that due to changed circumstances, its principals or the principals of its subcontractors are excluded or disqualified.

- E.17. Contractor Commitment to Diversity. The Contractor shall comply with and make reasonable business efforts to exceed the commitment to diversity represented by the Contractor's proposal responding to RFP-32944-00006 (Attachment 6.2) and resulting in this Contract.

The Contractor shall assist the State in monitoring the Contractor's performance of this commitment by providing, as requested, a quarterly report of participation in the performance of this Contract by small business enterprises and businesses owned by minorities, women, and persons with a disability. Such reports shall be provided to the state of Tennessee Governor's Office of Diversity Business Enterprise in form and substance as required by said office.

- E.18. Performance Bond. The Contractor shall provide to the State a performance bond guaranteeing full and faithful performance of all undertakings and obligations under this Contract and in the amount equal to Five Million Dollars (\$5,000,000.00). The Contractor shall submit the bond no later than the day immediately preceding the Contract start date and in the manner and form prescribed by the State (at RFP Attachment 6.7 hereto), and the bond shall be issued through a company licensed to issue such a bond in the state of Tennessee. The performance bond shall guarantee full and faithful performance of all undertakings and obligations under this Contract for:

- a. the Contract term and all extensions thereof; or
- b. the first, calendar year of the Contract (ending December 31st following the Contract start date) in the amount of Five Million Dollars (\$5,000,000.00) and, thereafter, a new performance bond in the amount of Five Million Dollars (\$5,000,000.00) covering each subsequent calendar year of the contract period. In which case, the Contractor shall provide such performance bonds to the State no later than each December 10th preceding the calendar year period covered beginning on January 1st of each year.

Failure to provide to the State the performance bond(s) as required herein prior to the Contract start date and, as applicable, no later than December 10th preceding each calendar year period covered beginning on January 1st of each year, shall result in contract termination. The Contractor understands that the stated amount of the performance bond required hereunder shall not be reduced during the contract period for any reason.

- E.19. Copyrights and Patents. The Contractor agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims or suits which may be brought against the State for infringement of any laws regarding patents or copyrights which may arise from the Contractor's performance of this Contract. In any such

action brought against the State, the Contractor shall satisfy and indemnify the State for the amount of any final judgment for infringement. The Contractor further agrees it shall be liable for the reasonable fees of attorneys for the State in the event such service is necessitated to enforce the terms of this Contract or otherwise enforce the obligations of the Contractor to the State. The State shall give the Contractor written notice of any such claim or suit and full right and opportunity to conduct the Contractor's own defense thereof.

- E.20. Hold Harmless. The Contractor agrees to indemnify and hold harmless the State of Tennessee as well as its officers, agents, and employees from and against any and all claims, liabilities, losses, and causes of action which may arise, accrue, or result to any person, firm, corporation, or other entity which may be injured or damaged as a result of acts, omissions, or negligence on the part of the Contractor, its employees, or any person acting for or on its or their behalf relating to this Contract. The Contractor further agrees it shall be liable for the reasonable cost of attorneys for the State in the event such service is necessitated to enforce the terms of this Contract or otherwise enforce the obligations of the Contractor to the State.

In the event of any such suit or claim, the Contractor shall give the State immediate notice thereof and shall provide all assistance required by the State in the State's defense. The State shall give the Contractor written notice of any such claim or suit, and the Contractor shall have full right and obligation to conduct the Contractor's own defense thereof. Nothing contained herein shall be deemed to accord to the Contractor, through its attorney(s), the right to represent the State of Tennessee in any legal matter, such rights being governed by *Tennessee Code Annotated*, Section 8-6-106.

- E.21. Breach. A party shall be deemed to have breached the Contract if any of the following occurs:

- failure to perform in accordance with any term or provision of the Contract;
- partial performance of any term or provision of the Contract;
- any act prohibited or restricted by the Contract, or
- violation of any warranty.

For purposes of this Contract, these items shall hereinafter be referred to as a "Breach."

- a. Contractor Breach— The State shall notify Contractor in writing of a Breach.
- (1) In event of a Breach by Contractor, the State shall have available the remedy of Actual Damages and any other remedy available at law or equity.
 - (2) Liquidated Damages— In the event of a Breach, the State may assess Liquidated Damages. The State shall notify the Contractor of amounts to be assessed as Liquidated Damages. The parties agree that due to the complicated nature of the Contractor's obligations under this Contract it would be difficult to specifically designate a monetary amount for a Breach by Contractor as said amounts are likely to be uncertain and not easily proven. Contractor hereby represents and covenants it has carefully reviewed the Liquidated Damages contained in above referenced, Appendix E and agree that said amounts represent a reasonable relationship between the amount and what might reasonably be expected in the event of Breach, and are a reasonable estimate of the damages that would occur from a Breach. It is hereby agreed between the parties that the Liquidated Damages represent solely the damages and injuries sustained by the State in losing the benefit of the bargain with Contractor and do not include any injury or damage sustained by a third party. The Contractor agrees that the liquidated damage amount is in addition to any amounts Contractor may owe the State pursuant to the indemnity provision or other section of this Contract.

The State may continue to withhold the Liquidated Damages or a portion thereof until the Contractor cures the Breach, the State exercises its option to declare a Partial Default, or the State terminates the Contract. The State is not obligated to

assess Liquidated Damages before availing itself of any other remedy. The State may choose to discontinue Liquidated Damages and avail itself of any other remedy available under this Contract or at law or equity; provided, however, Contractor shall receive a credit for said Liquidated Damages previously withheld except in the event of a Partial Default.

- (3) **Partial Default**— In the event of a Breach, the State may declare a Partial Default. In which case, the State shall provide the Contractor written notice of: (1) the date which Contractor shall terminate providing the service associated with the Breach; and (2) the date the State will begin to provide the service associated with the Breach. Notwithstanding the foregoing, the State may revise the time periods contained in the notice written to the Contractor.

In the event the State declares a Partial Default, the State may withhold, together with any other damages associated with the Breach, from the amounts due the Contractor the greater of: (1) amounts which would be paid the Contractor to provide the defaulted service; or (2) the cost to the State of providing the defaulted service, whether said service is provided by the State or a third party. To determine the amount the Contractor is being paid for any particular service, the Department shall be entitled to receive within five (5) days any requested material from Contractor. The State shall make the final and binding determination of said amount.

The State may assess Liquidated Damages against the Contractor for any failure to perform which ultimately results in a Partial Default with said Liquidated Damages to cease when said Partial Default is effective. Upon Partial Default, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount. Contractor agrees to cooperate fully with the State in the event a Partial Default is taken.

- (4) **Contract Termination**— In the event of a Breach, the State may terminate the Contract immediately or in stages. The Contractor shall be notified of the termination in writing by the State. Said notice shall hereinafter be referred to as Termination Notice. The Termination Notice may specify either that the termination is to be effective immediately, on a date certain in the future, or that the Contractor shall cease operations under this Contract in stages. In the event of a termination, the State may withhold any amounts which may be due Contractor without waiver of any other remedy or damages available to the State at law or at equity. The Contractor shall be liable to the State for any and all damages incurred by the State and any and all expenses incurred by the State which exceed the amount the State would have paid Contractor under this Contract. Contractor agrees to cooperate with the State in the event of a Contract Termination or Partial Takeover.

- b. **State Breach**— In the event of a Breach of Contract by the State, the Contractor shall notify the State in writing within 30 days of any Breach of Contract by the State. Said notice shall contain a description of the Breach. Failure by the Contractor to provide said written notice shall operate as an absolute waiver by the Contractor of the State's Breach. In no event shall any Breach on the part of the State excuse the Contractor from full performance under this Contract. In the event of Breach by the State, the Contractor may avail itself of any remedy at law in the forum with appropriate jurisdiction; provided, however, failure by the Contractor to give the State written notice and opportunity to cure as described herein operates as a waiver of the State's Breach. Failure by the Contractor to file a claim before the appropriate forum in Tennessee with jurisdiction to hear such claim within one (1) year of the written notice of Breach shall operate as a waiver of said claim in its entirety. It is agreed by the parties this provision establishes a contractual period of limitations for any claim brought by the Contractor.

- E.22. Partial Takeover. The State may, at its convenience and without cause, exercise a partial takeover of any service which the Contractor is obligated to perform under this Contract, including but not limited to any service which is the subject of a subcontract between Contractor and a third party, although the Contractor is not in breach (hereinafter referred to as "Partial Takeover"). Said Partial Takeover shall not be deemed a Breach of Contract by the State. Contractor shall be given at least 30 days prior written notice of said Partial Takeover with said notice to specify the area(s) of service the State will assume and the date of said assumption. Any Partial Takeover by the State shall not alter in any way Contractor's other obligations under this Contract. The State may withhold from amounts due the Contractor the amount the Contractor would have been paid to deliver the service as determined by the State. The amounts shall be withheld effective as of the date the State assumes the service. Upon Partial Takeover, the Contractor shall have no right to recover from the State any actual, general, special, incidental, consequential, or any other damages whatsoever of any description or amount.
- E.23. Unencumbered Personnel. All persons assigned by the Contractor to perform services for the State under this Contract, whether they are employees, agents, subcontractors, or principals of the Contractor, shall not be subject to any employment contract or restrictive covenant provisions which would preclude those persons from performing the same or similar services for the State after the termination of this Contract, either as a State employee, an independent contractor, or an employee, agent, subcontractor or principal of another contractor with the State. If the Contractor provides the State with the services of any person subject to a restrictive covenant or contractual provision in violation of this provision, any such restrictive covenant or contractual provision will be void and unenforceable, and the Contractor will pay the State and any person involved all of its expenses, including attorneys fees, caused by attempts to enforce such provisions.
- E.24. State Interest in Equipment—Uniform Commercial Code Security Agreement. The Contractor shall take legal title to all equipment and to all motor vehicles, hereinafter referred to as "equipment," purchased totally or in part with funds provided under this Contract, subject to the State's equitable interest therein, to the extent of its *pro rata* share, based upon the State's contribution to the purchase price. "Equipment" shall be defined as an article of nonexpendable, tangible, personal property having a useful life of more than one year and an acquisition cost which equals or exceeds \$5,000.00.

As authorized by the provisions of the terms of the Tennessee Uniform Commercial Code—Secured Transaction, found at Title 47, Chapter 9 of the **Tennessee Code Annotated**, and the provisions of the Tennessee Motor Vehicle Title and Registration Law, found at Title 55, Chapter 1 of the **Tennessee Code Annotated**, an intent of this Contract document and the parties hereto is to create and acknowledge a security interest in favor of the State in the equipment or motor vehicles acquired by the Contractor pursuant to the provisions of this Contract document. A further intent of this Contract document is to acknowledge and continue the security interest in favor of the State in the equipment or motor vehicles acquired by the Contractor pursuant to the provisions of this program's prior year Contracts between the State and the Contractor.

The Contractor hereto grants the State a security interest in said equipment. This agreement is intended to be a security agreement pursuant to the Uniform Commercial Code for any of the equipment herein specified which, under applicable law, may be subject to a security interest pursuant to the Uniform Commercial Code, and the Contractor hereby grants the State a security interest in said equipment. The Contractor agrees that the State may file this Contract or a reproduction thereof, in any appropriate office, as a financing statement for any of the equipment herein specified. Any reproduction of this or any other security agreement or financing statement shall be sufficient as a financing statement. In addition, the Contractor agrees to execute and deliver to the State, upon the State's request, any financing statements, as well as extensions, renewals, and amendments thereof, and reproduction of this Contract in such form as the State may require to perfect a security interest with respect to said equipment. The Contractor shall pay all costs of filing such financing statements and any extensions, renewals, amendments and releases thereof, and shall pay all reasonable costs and expenses of any record searches for financing statements the State may reasonably require. Without the prior written consent of the State, the Contractor shall not create or suffer to be created pursuant to the Uniform Commercial

Code any other security interest in said equipment, including replacements and additions thereto. Upon the Contractor's breach of any covenant or agreement contained in this Contract, including the covenants to pay when due all sums secured by this Contract, the State shall have the remedies of a secured party under the Uniform Commercial Code and, at the State's option, may also invoke the remedies herein provided.

The Contractor agrees to be responsible for the accountability, maintenance, management, and inventory of all property purchased totally or in part with funds provided under this Contract. The Contractor shall maintain a perpetual inventory system for all equipment purchased with funds provided under this Contract and shall submit an inventory control report which must include, at a minimum, the following:

- a. Description of the equipment;
- b. Manufacturer's serial number or other identification number, when applicable;
- c. Consecutive inventory equipment tag identification;
- d. Acquisition date, cost, and check number;
- e. Percentage of state funds applied to the purchase;
- f. Location within the Contractor's operations where the equipment is used;
- g. Condition of the property or disposition date if Contractor no longer has possession;
- h. Depreciation method, if applicable; and
- i. Monthly depreciation amount, if applicable.

The Contractor shall tag equipment with an identification number which is cross referenced to the equipment item on the inventory control report. The Contractor shall inventory equipment annually. The Contractor must compare the results of the inventory with the inventory control report and investigate any differences. The Contractor must then adjust the inventory control report to reflect the results of the physical inventory and subsequent investigation.

The Contractor shall notify the State, in writing, of any equipment loss describing reason(s) for the loss. Should the equipment be destroyed, lost, or stolen, the Contractor shall be responsible to the State for the *pro rata* amount of the residual value at the time of loss based upon the State's original contribution to the purchase price.

The Contractor shall submit its inventory control report of all equipment purchased with the final invoice submitted under this Contract. This inventory control report shall contain, at a minimum, the requirements specified above for inventory control.

Upon termination of the Contract, where a further contractual relationship is not entered into, or at another time during the term of the Contract, the Contractor shall request written approval from the State for any proposed disposition of equipment purchased pursuant to this Contract. All equipment shall be disposed of in such a manner as parties may agree from among alternatives approved by Tennessee Department of General Services and in accordance with any applicable federal laws or regulations.

E.25. Public Funding Notice. All notices, informational pamphlets, press releases, research reports, signs, and similar public notices prepared and released by the Contractor relative to this Contract shall include the statement, "This project is funded under an agreement with the State of Tennessee." Any such notices by the Contractor shall be approved by the State.

E.26. Indemnification Regarding Policies.

- a. The indemnification of Section E.20. includes but is not limited to, any claims or losses arising from the promulgation or implementation of the Contractor's policies and procedures whether or not said policies and procedures have been approved by the State.
- b. The indemnification of Section E.20., includes, but is not limited to any claims of the Contractor's wrongdoing in implementing the Departmental policies listed in Appendix C.

- c. With regard to any claim that the Departmental policies listed on Appendix C are unlawful (i.e., the issue is that the policies and procedures are lawful on their face), if the State is named as a party, the Attorney General, his designee or an independent Contractor hired for that purpose will represent the State. The Contractor will be responsible for its own defense. The State will be liable for any judgment against it and the Contractor will be liable for any judgment against it. However, this subsection shall not apply if the claim in any way arises from Contractor's failure to appropriately implement policy.
 - d. The Contractor agrees to send copies of any and all documents which have been filed in any lawsuit naming the Contractor and/or its employees in which concern the operation of the Facility under this Contract to the State.
 - e. Contractor shall not waive, release, or otherwise forfeit any possible defense the State may have regarding claims arising from or made in connection with the operation of the Facility by Contractor without the consent of the State. Contractor shall preserve all such available defenses and cooperate with the State to make such defenses available to the maximum extent allowed by law.
- E.27. General Provisions. Unless otherwise required by the State, all insurance provided by the Contractor shall be in conformance with the General Specifications for Insurance detailed in Appendix D. Upon written request by the State, Contractor shall revise or supplement the insurance listed on Appendix D and may seek a compensation adjustment pursuant to Section C.11.
- E.28. Fire and Property Insurance. The State shall maintain all risk property insurance on the State's buildings which comprise the Facility. The Contractor shall obtain and keep in force insurance on all property to be located at the Facility.
- E.29. Defense/Immunity. Notwithstanding any provision contained herein to the contrary, the State does not waive any immunity defenses which may exist by operation of law, including, but not limited to, limitations on the amount of damages which may be awarded or paid.
- E.30. Financial Strength. The Contractor shall, prior to signing this Contract, file with the State audited financial statements showing a net stockholders equity, calculated according to generally accepted accounting principles consistently applied, of not less than five million dollars (\$5,000,000). Thereafter, the Contractor shall file annually, on or before April 1 of each year, the previous fiscal year end audited financial statements and if the net stockholders equity of the company shall ever be less than five million dollars (\$5,000,000), the State may declare the Contractor in default unless the Contractor provides alternative evidence of equivalent financial worth within thirty (30) days of demand by the State.
- E.31. Exception to General Indemnification. The indemnification provisions of this Section shall not apply to injury, death or damage to property arising solely out of the negligence or misconduct of the State, its officers, agents, servants or independent Contractors (other than Contractor) who are directly responsible to the State.
- E.32. Notwithstanding any other provision of this Contract to the contrary, nothing contained herein shall be interpreted to authorize, allow or imply authority of the Contractor to do the following:
- a. develop or implement procedures for calculating Inmate release and parole eligibility dates;
 - b. develop and implement procedures for calculating and awarding sentence credits;
 - c. approve Inmates for furlough and work release;
 - d. approve the type of work an Inmate may perform, and the wages or sentence credits which may be given to Inmates engaged in such work; and
 - e. grant, deny or revoke sentence credits; place an Inmate under less restrictive custody or more restrictive custody; or take any disciplinary actions; provided, however, that this Section shall not prevent Contractor from making recommendations to the State with respect to any of the above in conformance with Departmental policy. The

Commissioner shall determine whether any action or proposed action violates the provisions of this Section.

E.33. Contractor's Representations and Warranties.

- a. **Representations of Contractor.** Contractor represents and warrants to and for the benefit of State, with the intent that State will rely thereon for purposes of entering into this Contract, as follows:
- b. The Contractor's Proposal, incorporated herein by reference, contains no material misrepresentations by the Contractor. This Contract contains no factual changes from the Proposal submitted by the Contractor.
- c. **Organization and Qualification.** Contractor has been duly incorporated and is validly existing as a corporation in good standing under the laws of the State of Maryland with power and authority to own its properties and conduct its business as presently conducted. Contractor is duly qualified to do business as a foreign corporation in good standing in Tennessee and shall so remain during the term of this Contract.
- d. **Authorization.** This Contract has been duly authorized, executed, and delivered by Contractor and, assuming due execution by the appropriate State officials as indicated on the signature page of this Contract and delivery by State, constitutes a legal, valid, and binding agreement enforceable against Contractor in accordance with its terms.
- e. **No Violation of Contract, Articles of Incorporation or Bylaws.** The consummation of the transactions contemplated by this Contract and its fulfillment of the terms hereof will not conflict with, or result in a breach of any of the terms and provisions of, or constitute a default under any indenture, mortgage, deed of trust, lease, loan agreement, license, security agreement, Contract, governmental license or permit, or other agreement or instrument to which Contractor is a party or by which its properties are bound, or any order, rule, or regulation of any court or any regulatory body, administrative agency, or their governmental body applicable to Contractor or any of its properties, except any such conflict, breach, or default which would not materially and adversely affect Contractor's ability to perform its obligations under this Contract, and will not conflict with, or result in a breach of any of the terms and provisions of, or constitute a default under, the Articles of Incorporation (or other corresponding charter document) or Bylaws of Contractor.
- f. **No Defaults under Agreements.** Contractor is not in default, nor is there any event in existence which, with notice or the passage of time or both, would constitute a default by Contractor, under any indenture, mortgage, deed of trust, lease, loan agreement, license, security agreement, Contract, governmental license or permit, or other agreement or instrument to which it is a party or by which any of its properties are bound and which default would materially and adversely affect Contractor's ability to perform its obligations under this Contract.
