Proteus, Inc. (New Contract)

Dear Ms. Lee Carsner:

The Department of Finance and Administration, Division of TennCare, is submitting for consideration by the Fiscal Review Committee the required documentation for twelve (12) Amendments and one (1) new Contract as follows:

- 1) Automated Health Services:** Automated Health Systems, Inc. (AHS) is the competitively procured contractor for the provision of a TennCare/Chip Member Service Center. TennCare seeks to exercise an additional 16-month term which is beyond the requisite 60-months for TennCare/CHIP Member Services. With the recent implementation of the Tennessee Eligibility Determination System (TEDS), the State has experienced a significant increase in call volume and call time handling and continued business process enhancements due to the integration of the new eligibility system.

These elements continue to change as the State fully operationalizes the full functionality of TEDS. Lastly, while integrating the TEDS system into existing business operations, the State recognized the need to explore additional changes to TEDS which would greatly impact the future scope of work of the TennCare service centers document management solution, specifically optical recognition technology, for a new Request for Proposal and subsequent replacement contract. To meet the needs of the State from a planning perspective and sustain a satisfactory level of customer service to a vulnerable service population, TennCare respectfully requests approval of the proposed term extension.

- 2) Altruista Health, Inc.:** This competitively procured contract with Altruista Health Inc., was put into place for the provision of providing and implementing an Off the Shelf Solution (Solution)

with customizations that allows health care providers the ability to coordinate patients across multiple payers, plan types including Medicaid, Medicare, and Commercial plans. The primary use of this tool in the first phase was to enhance transitions of care and allow for potential future expansion to leverage this tool to enhance care coordination and management across the State's Medicaid enterprise. TennCare is seeking to exercise the second of two (2) renewal options as allowed in Section B.2. of contract 48925 as well as increase the maximum liability in order to continue regular payments to accommodate for the extended term.

- 3) **BlueCross Blue Shield of Tennessee, Inc. (CoverKids):** This contract provides delivery of CoverKids services to the eligible CoverKids population. This amendment is necessary to: (1) delete all sections that are no longer applicable and/or outdated contract language; (2) update the scope of service sections as they relate to program updates; (3) add funding, exercise a renewal option, and adjust appropriate language to the Performance Guarantee section which correlates to the scope replacements.
- 4) **Clear2There:** C2T is the only telephone bridging and digital recording system specifically created and designed for state appeals hearings. There is no other system that allows the state hearing schedule data to be uploaded to the vendors' database in order to provide meaningful indexing and search capabilities, as well as autodialing of the party phone numbers. C2T's system is specific to meeting the technical and legal requirements for appeals hearings. The appeal volume and necessity of hearing procedures provided by C2T has greatly impacted TennCare. The web-based functionality has all but eliminated the need of using court reporters as well as allowed TennCare to utilize digital storage, housing, and digital searching mechanisms that are not otherwise available or in use by standard court reporters. The purpose of this request is to exercise the second renewal option in accordance with Section B.1 of Contract 56441.
- 5) **Edifecs, Inc.:** Edifecs, Inc. is the competitively procured contractor for the provision of the statewide development, implementation, and maintenance of a service to collect clinical quality data that cannot be acquired from processed medical billing claims. Ultimately, these Quality Applications provide all payers, including TennCare, commercial insurers, and Medicare Advantage plans with the necessary information to reimburse providers for high quality health outcomes. Quality Applications are based on a contractor-provided service that support two innovation strategies: Episodes of Care and Long-Term Services and Supports (LTSS). As part of payment reform efforts within the Tennessee Health Care Innovation Initiative, these two strategies increase quality of care, reduce health care costs, and improve Tennessee's population health. Episodes of Care Quality Applications track certain quality measures for clinical encounters that are not included in medical billing claims data. LTSS Quality Applications support the payment calculations, data aggregation, and quality measures for Nursing Facilities and Home and Community Based Services (HCBS) programs. TennCare seeks to exercise the first of two renewal options as provided in Section B.2. of Contract 53564.
- 6) **Health Management System, Inc.:** This competitively procured contract with Health Management Systems, Inc. is for the provision of Third Party Liability recovery services. It is necessary to amend the contract to add funding to support the continuation of recovery and cost avoidance services throughout the remainder of the term and to also exercise a renewal option as laid out in contract section B.2. The recoveries associated with this contract are not amounts that can easily be projected and vary significantly from one payment cycle to the other,

depending on the dollar amounts of recoveries made, as well as the percentage of reimbursement to the contractor according to their cost and associated rates and percentage of reimbursement in the contract.

Managed Care Organization (MCO) 7, 8, 9 are combined:

- 7) Amerigroup Tennessee, Inc. (Edison # 40180, Amendment #11)**
- 8) UnitedHealthcare Plan of the River Valley, d/b/a UnitedHealthcare Community Plan (Edison # 40181, Amendment #11)**
- 9) Volunteer State Health Plan, Inc. d/b/a Blue Care Tennessee (Edison # 40197, Amendment #11):**

These competitively procured contracts are being amended to provide relative changes to the managed care program including:

- CoverKids Implementation Requirements for January 1, 2021 Effective Date
- Updated language to address CMS's Focused Program Integrity Review of Personal Care Services and PI Investigator credentials
- EVV Compliance changes to include changes to LDs
- Clarifications around the new PCSP and Medication Risk Assessment Processes
- Correcting weighting errors from prior cycles
- Changes to required reporting for CHOICES and ECF CHOICES Advisory Groups
- Additions of Beneficiary Support System training and education
- Care Coordination and Support Coordination Changes as well as changes to Monitoring requirements
- Requirements for Contractors to collaborate with DIDD
- ECF CHOICES Quality Monitoring Changes
- WFD updates
- Direct Service Worker Oversight and Monitoring
- Requirements surrounding NCI and NCI-AD
- Updates to member handbook requirements
- Updates to Groups 7 & 8 reporting requirements
- Update Population Health language to reflect current program
- Clarifications to Turning 21 Transition requirements
- Medication Assisted Treatment language updated to include Methadone requirements
- Updated training requirements for PCMH, THL and EOC4
- Housekeeping updates to Reporting and Reporting Template requirements

- 10) Volunteer State Health Plan, Inc. – Amendment #46:** This contract is being amended to provide relative changes to the program including:

- Updated language to address CMS's Focused Program Integrity Review of Personal Care Services and PI Investigator credentials
- Update Population Health language to reflect current program
- Clarifications to Turning 21 Transition requirements
- Medication Assisted Treatment language updated to include Methadone requirements

- Updated training requirements for PCMH, THL and EOC4
- Housekeeping updates to Reporting and Reporting Template requirements

11) Myers & Stauffer, LC – Amendment #2: This competitively procured contractor, Myers and Stauffer, LC (MSLC), established benchmark reimbursement for covered outpatient drugs using an Average Actual Acquisition Cost (AAAC) cost methodology for pharmacies to be compliant with federal requirements of the Covered Outpatient Drug final rule (CMS-2345-FC)(81 FR 5170). As a result, TennCare has been using MSLC to implement and acquire pharmacy invoice level detail to determine a consistent, efficient, economical pharmacy drug reimbursement costs under the AAAC methodology. Since implementation TennCare continues to have tremendous partnership with the pharmacy community with a 96.7 percent pharmacy network participation rate.

The proposed amendment is requested to ensure TennCare's alignment with its State Plan Amendment (SPA) as governed by the Health Resources and Services Administration (HRSA) which requires reimbursement to 340B pharmacies for pharmaceuticals purchased through the 340B pricing program. To ensure that 340B pharmacy reimbursements are at or below the 340B ceiling price set by HRSA and maintain alignment with the Affordable Care Act (ACA) and HRSA requirements, the addition of 340B reporting, survey activities, and help desk support are necessary elements to ensure accuracies for 340B reimbursements and Federal Rebates.

Additionally, TennCare is requesting to extend the contracted actuarial services performed by MSLC to ensure ongoing maintenance of the State of Tennessee specific AAAC for the purposes of pharmacy reimbursement that follows federal requirements and to increase the maximum liability to accommodate the extension and proposed services for 340B compliance. This will continue to support continuity for the Tennessee pharmacies and our members.

12) Navigant Consulting, Inc. – Amendment #3: Navigant Consulting, Inc. (formerly Aon Consulting, Inc.) is the competitively procured Contractor that develops actuarially sound per capita costs on an annual basis to be used for compensating Managed Care Organization (MCO) participants within the Division of TennCare. The contract term included an initial three (3) year term with an additional three (3) one (1) year renewal options that the State may exercise. The proposed amendment is needed in order to exercise the contracts remaining renewal options plus an additional 12-months and increase the maximum liability accordingly for the proposed term extension.

13) Proteus, Digital Health, Inc. (New Contract): Proteus Digital Health is the sole innovator of digital pharmaceuticals and global leader in the digital pharmaceutical industry. Since 2001, Proteus Digital Health has secured more than 500 patents for both wearable and ingestible sensors for patient compliance monitoring.

Proteus Discover® for Infectious Disease includes the FDA-approved Proteus ingestible sensor and specialty pharmacy preparations of commercially available Hepatitis C, HIV and TB medicines, Proteus Patch® for sensing a patient's usage and response to therapy, and the Proteus Discover App and Proteus Discover Portal for patients and healthcare professionals to receive treatment management and intervention support.

The Proteus sensor and digital medicine platform is currently the only FDA-approved ingestible event marker and ingestion-based adherence management product available in the marketplace. There is no other provider who offers Hepatitis C ingestible digital medication to monitor patient compliance with Hepatitis C medications.

Hepatitis C medications are high-cost, but effective medications. At the end of a well-maintained regimen, the patient can be cured of Hepatitis C. The goal of this pilot is to improve health outcomes by tracking adherence to the Hepatitis C medications and therefore ensuring greater cure rates and to reduce over-utilization of these high-cost medications through a reduction in retreatments, greater patient autonomy over his or her care, and higher cure rates. If this pilot is successful, compliance should increase, allowing for expansion of this method.

TennCare respectfully submits the above referenced contract amendments for consideration and approval by the Fiscal Review Committee. We look forward to promptly providing any additional information as may be requested by the Committee.

Sincerely,

A handwritten signature in blue ink, appearing to read "William Aaron".

William Aaron
Chief Financial Officer

**AMENDMENT #2 TO #56441
BETWEEN THE STATE OF TENNESSEE,
DEPARTMENT OF FINANCE AND ADMINISTRATION
DIVISION OF TENNCARE
AND
C2T, INC. DBA CLEAR2THERE**

This Amendment is made and entered by and between the State of Tennessee, Department of Finance and Administration, Division of TennCare, hereinafter referred to as the "State" and C2T, Inc. dba Clear2There, hereinafter referred to as the "Contractor." For good and valuable consideration, the sufficiency of which is hereby acknowledged, it is mutually understood and agreed by and between said, undersigned contracting parties that the subject contract is hereby amended as follows:

1. Contract section B. is deleted in its entirety and replaced with the following:
 - B. This Contract shall be effective for the period beginning February 1, 2018 and ending on January 31, 2021. The Contractor hereby acknowledges and affirms that the State shall have no obligation for services rendered by the Contractor which were not performed within this specified contract period.

Required Approvals. The State is not bound by this Amendment until it is signed by the contract parties and approved by appropriate officials in accordance with applicable Tennessee laws and regulations (depending upon the specifics of this contract, said officials may include, but are not limited to, the Commissioner of Finance and Administration, the Commissioner of Human Resources, and the Comptroller of the Treasury).

Amendment Effective Date. The revisions set forth herein shall be effective once all required approvals are obtained. All other terms and conditions of this Contract not expressly amended herein shall remain in full force and effect.
