**House Bill No. 825**

by adding the following new section immediately preceding the last section and by renumbering the subsequent section accordingly:

SECTION \_\_. Tennessee Code Annotated, Section 39-17-420, is amended by adding the following as a new subsection:

( ) Notwithstanding any other provision of this section to the contrary, in order to comply with state and federal fingerprinting requirements such as those in 42 U.S.C.A. Section 14071, effective July 1, 1997, twenty percent (20%) of the funds a sheriff or municipal police department receives pursuant to this section shall be set aside and earmarked for the purchase of an electronic fingerprint imaging system that is compatible with the Federal Bureau of Investigation's Integrated Automated Fingerprint Identification System. Twenty percent (20%) of such funds shall be set aside and earmarked each year until July 1, 2002, or until the sheriff or chief of police has sufficient funds to purchase such fingerprinting equipment, whichever amount of time is less. In lieu of purchasing such fingerprinting equipment, a local law enforcement agency may enter into an agreement with another law enforcement agency that possesses such equipment for the use of said equipment. Such agreement may provide that the local law enforcement agency may use the fingerprinting equipment for identifying persons arrested by that agency in exchange for paying an agreed upon portion of the cost and maintenance of the fingerprinting equipment.
