

FISCAL NOTE

HB 58 - SB 61

February 4, 1997

SUMMARY OF BILL: Provides certification to a municipal and county fire prevention and building official who has been continuously employed as a municipal or county building inspector for a period of four (4) years or more and who has attained fifty (50) years of age. Currently such certification is provided for any inspector who has been continuously employed for a period of seven (7) years and has attained sixty (60) years of age.

ESTIMATED FISCAL IMPACT:

Decrease State Revenues - Not Significant

Decrease Local Expenditures - Not Significant

Decreases state revenues to the extent that persons who meet the requirements of this bill would not have to pay a testing fee.

Decreases local expenditures to the extent that local governments, rather than employees, currently pay the testing fee.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
