AMEND Senate Bill No. 2172

House Bill No. 2140*

By deleting the amendatory language of Section 1 in its entirety, and by substituting instead the following language:

() The general assembly finds that public radio broadcasting serves a valid educational purpose so long as the broadcaster holds an educational broadcast license issued by the federal communications commission; and, therefore, that property, or any part thereof, owned by a public radio station which is an affiliate member of the public broadcasting network, and which holds such a license, whether as a transferee, successor, or otherwise, of a license formerly held by the public library board of any county having a metropolitan form of government, shall be exempt from property taxation to the extent the property is used in a manner consistent with the license.
