AMEND Senate Bill No. 330*

House Bill No. 1169

By deleting all the language after the enacting clause of the printed bill and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 54-5-1101, is amended by deleting subsection (a) in its entirety and by substituting instead the following:

(a)(1) There is authorized to be established a system of specific service signs with the rights-of-way of highways on the interstate system and on adjoining public roads in the vicinity of such highways for the purpose of advising the traveling public of specific business establishments within certain eligible categories. Multi-lane, controlled-access roads which serve as connecting routes to the interstate system are permitted to participate in the specific service sign system in accordance with the guidelines established for the program, and the commissioner of transportation is authorized to add such roads to the system.

(2) If space is available, a specific business establishment shall not be excluded from participating in the specific service sign program because such establishment does not serve breakfast. Such establishment may occupy any available space on a specific service sign if doing so would not exclude a business establishment that does not serve breakfast. As used in this subdivision, "breakfast" means the first meal of the day commonly taken in the ante meridiem.

SECTION 2. Tennessee Code Annotated, Section 54-5-1101, is amended by deleting subsection (c) in its entirety and by substituting instead the following:
