**AMEND Senate Bill No. 1093**

**House Bill No. 789\***

by deleting Section 1 of the printed bill in its entirety and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 43, Chapter 6, Part 1, is amended by adding the following as a new, appropriately designated section:

Section \_\_\_\_\_. In order to ensure that rooted materials are free from plant pests, the commissioner of agriculture is authorized to promulgate rules and regulations relating to the certification and inspection of nurseries, greenhouses, nursery plant dealers and other persons holding or transporting plants for re-sale in Tennessee. Provided, however, a nursery plant dealer's certificate shall not be required for persons who are engaged in the planting of rooted material if such planting is restricted to the incidental planting or replacing of plants in an established landscape at the request of a customer for whom other services are being provided as the installer's primary business activity.
