## HB 208 - SB 321

February 15, 1999

**SUMMARY OF BILL:** Amends TCA 55-4-128 by adding a new subsection which makes it unlawful for any motor vehicle dealer, motor vehicle salesperson, or person located in any municipality or county that requires the successful completion of an emissions or safety inspection as a condition to the issuance or renewal of a certificate of registration, to sell a pre-owned vehicle at retail unless the vehicle has received a valid inspection certificate within 180 days prior to its sale. This subsection would not apply to vehicles sold in municipalities or counties that do not require the successful completion of an emissions or safety inspection prior to the issuance or renewal of a certificate of registration.

### ESTIMATED FISCAL IMPACT:

**Increase Local Govt. Revenues - Not Significant**  
**Increase Local Govt. Expenditures - Not Significant**

Impact depends upon the number of persons convicted of this offense and the resulting increased cost to local governments to confine such persons versus the increased revenues to local governments from fines levied and collected under the provisions of this bill.
