

FISCAL NOTE

HB 932 - SB 1251

March 8, 1999

SUMMARY OF BILL: Amends the Residential Homes for the Aged Quality Enabling Reimbursement Program by adding Henry County to the existing 18 counties eligible to participate.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact - Adds Henry County to the 18 existing counties eligible for funding, (currently \$525,100) under this program

The entire program is limited to funds appropriated and the bill does not increase the appropriated amount. Adding additional beds to the program would reduce the number of participating beds in the existing counties.
