by deleting from subdivision (a)(1) of the amendatory language of Section 3, as amended, the following:

A person entering into a voluntary agreement or consent order shall submit to the commissioner a summary description of known existing environmental information, including investigations, studies, reports or documents concerning the site's environmental condition. Such summary description shall include, but shall not be limited to: the date of the information; its author; any actions taken in response to the information including further sampling or monitoring; and, any other aspect of the information which could reasonably be relevant to the terms and conditions of a voluntary agreement or consent order.

and by substituting instead the following language:

A person entering into a voluntary agreement or consent order shall submit to the commissioner a summary description of all known existing environmental investigations, studies, reports or documents concerning the site's environmental condition. Such summary description shall include, but shall not be limited to: date of the material; title of the material; person or entity that produced the material; results or conclusions contained in the material; any remedial action recommended including any monitoring and/or maintenance; and, other information which could reasonably be construed to be material to the Commissioner's decision to enter into a voluntary agreement or consent order.
