by adding the following as an appropriately numbered section:

SECTION \_\_. Tennessee Code Annotated, Section 47-18-2501, is further amended by adding the following new subsection:

( ) The provisions of this section shall not be construed to apply to a person or entity conducting business in this state when it directs e-mail to a party with whom the person or entity directing the e-mail has had a prior business relationship within the prior twelve (12) months. As used in this subsection, a "prior business relationship" exists when a party has made a purchase from the business, has engaged in any form of regular business-related communications or negotiations with the business, or has otherwise indicated an interest in establishing a future business relationship with the business.
