

FISCAL NOTE

SB 2371 - HB 2477

January 31, 2002

SUMMARY OF BILL: Specifies that "beedies" or "bidis" are tobacco products.

ESTIMATED FISCAL IMPACT:

MINIMAL

Current law defines "tobacco product" as "any product that contains tobacco and is intended for human consumption." This estimate assumes that under this definition, beedies or bidis would already be considered a tobacco product and be subject to the laws regulating tobacco products.
