

# FISCAL NOTE

## SB 2692 - HB 2633

February 4, 2002

**SUMMARY OF BILL:** Authorizes each local emergency planning committee to assess and collect dues from member facilities and industries within its district which are required to submit tier II reports in accordance with federal law.

### ESTIMATED FISCAL IMPACT:

**Other Fiscal Impact - To the extent a local emergency planning committee chooses to assess dues as provided for in the bill it will experience an increase in revenues. The amount of this increase depends on the number of affected member facilities and industries and the rate set for such dues. The local emergency planning committees were created in accordance with federal law and this estimate assumes they are not local governmental entities as they are not funded by or subject to oversight by local governments.**

### CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
