

SENATE BILL 3425
By Haynes

AN ACT to amend Tennessee Code Annotated, Section 54-1-105, regarding the commissioner's authority to waive provisions of this title found to be in conflict with federal funding requirements.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 54-1-105, is amended by adding the following subsection:

- (d) In the event the commissioner determines that any provision of this title is in conflict with a condition placed on receipt of federal funds, then said provision shall be inoperable to the extent of any such conflict. If the commissioner makes the determination authorized in this section, the determination shall be in writing, citing the provision of this title rendered inoperable and its extent, and citing the applicable condition of federal funding. A copy of the determination shall immediately be provided to the governor, the attorney general, the comptroller, and the speakers of the house and senate. The same process shall be used by the commissioner to rescind any determination under this section.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
