AMEND Senate Bill No. 2712

House Bill No. 2600*

by adding the following as a new, appropriately designated Section to the printed bill:

SECTION __. No provision of this act shall be construed to charge local school systems with the obligation of adopting the rules and regulations promulgated by the state board of education to require seat belts or other restraint systems on buses operated or leased by such school system for use by the driver and all passengers. It is the intent of the General Assembly that local school systems have the option to adopt such rules and regulations promulgated by the state board of education.
