

FISCAL NOTE

HB 2289 - SB 2273

February 28, 2005

SUMMARY OF BILL: Repeals statute that holds harmless any vendors who breach a contract due to computer processors that fail to accurately recognize the proper date and time.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumptions:

- Current law was enacted in 1999 in recognition of concerns over Y2K computer failures.
- Enactment of this bill will result in minimal impact to state or local government revenues or expenditures.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James W. White, Executive Director
