

FISCAL NOTE

HB 3896

March 14, 2006

SUMMARY OF BILL: Provides the Tennessee Emergency Communications Board with the authority to administer the deployment of 911 service for emerging communications technologies including Voice over Internet Protocol.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumption:

- No additional resources will be needed by state or local governments by providing the Board with the authorization to administer the deployment of such service.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "James W. White". The signature is fluid and cursive.

James W. White, Executive Director
