SB 335 - HB 719

February 14, 2005

SUMMARY OF BILL: Names the bathhouse at the Gee Creek Campground in Hiwassee/Ocoee Scenic Rivers State Park in honor of Rob Skinner. Directs the Commissioner of Environment and Conservation to erect or affix suitable signs designating the bathhouse facility as the "Rob Skinner Bathhouse." Manufacture and installation of the signs is to be paid with non-state funds by the Department of Environment and Conservation within one year of the effective date of this Act and any unused portion of funds will be refunded by the Department.

ESTIMATED FISCAL IMPACT:

Other Fiscal Impact – Minimal to State and Local Governments. However, to the extent that non-state funds are received from local government, there may be a one-time, permissive increase in local government expenditures of less than \$1,500.

Assumption:

- The bathhouse is not a large building and estimated costs for signs would be \$1,500 or less, including fabrication and placement.
