

FISCAL NOTE

SB 323

February 12, 2007

SUMMARY OF BILL: Requires an individual to obtain a certificate of need prior to initiation and performance of multi-slice computerized tomography services.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant
Increase State Revenues – Not Significant

Assumptions:

- The Health Services and Development Agency would not receive a significant increase in certificate of need applications. Such would not result in a significant increase in state expenditures.
- The agency will receive a directly proportional increase in applications fees. There will not be a significant increase in state revenues.

CERTIFICATION:

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.
