AMEND House Joint Resolution No. 1364*

By adding the following new resolving clauses immediately preceding the last resolving clause:

BE IT FURTHER RESOLVED, that we acknowledge and applaud President Obama's step in the right direction, albeit it is far short of the requests of Governor Perry and Governor Brewer.

BE IT FURTHER RESOLVED, that we encourage President Obama and the members of Congress to support Senator John McCain's request for 6,000 troops and Governor Perry's and Governor Brewer's requests for air support.

BE IT FURTHER RESOLVED, that we further encourage President Obama to expend all necessary resources to secure our southern border and protect our citizens from the demonstrated dangers of uncontrolled borders and drug smuggling in the southwest.
