

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HB 2246 - SB 2232

March 30, 2009

SUMMARY OF BILL: Includes the Board of Medical Examiners' Polysomnography Professional Standards Committee to the list of Boards and Committees that are administratively attached to the Division of Health-Related Boards. Removes the Chair of the Public Health Council from the membership of the Board for Licensing Health Care Facilities. Authorizes special meetings of the Board only at the call of the Chair of the Board in the Chair's discretion and reduces the number of members required to constitute a quorum, from 10 to nine.

ESTIMATED FISCAL IMPACT:

MINIMAL

Assumptions:

- The inclusion of the Polysomnography Professional Standards Committee to the list of Boards and Committees that are administratively attached to the Division of Health-Related Boards codifies current practice.
- The Public Health Council was eliminated last year, so removal of the Chair of the Council from the Board for Licensing Health Care Facilities will not have an impact on the expenditures of the Board.
- No impact on the regulatory activities of state government.
