

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

HJR 132

February 27, 2009

SUMMARY OF BILL: Proposes to amend Article I, of the Tennessee Constitution to provide that nothing in the Constitution secures or protects a right to a vasectomy. The foregoing amendment shall be referred to the 107th General Assembly and this resolution proposing such amendment shall be posted on the websites of the Secretary of State and the General Assembly to meet the constitutional publication requirement.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- In *American Civil Liberties Union et al. v. Darnell et al.*, 195 S.W.3d 612, 626 n.12 (Tenn. 2006), the Tennessee Supreme Court noted without deciding the issue that: "The General Assembly has the authority to adopt a rule or enact a statute that defines the term 'published' used in Article XI, Section 3 or that specifies the means and manner of publication. When interpreting constitutional provisions, courts carefully consider any interpretation the General Assembly has given the provision." This note assumes that authorization by the General Assembly of electronic publication complies with the constitutional publication requirement.
- Posting this resolution on the official websites of the Secretary of State and the General Assembly will not increase state expenditures by a significant amount.
- Article XI, Section 3 of the Constitution requires publication of the resolution before the next legislative election. This publication would occur in the spring of 2010.
