

**TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE**

**FISCAL NOTE**

**SB 3658 - HB 3912**

March 4, 2010

**SUMMARY OF BILL:** Authorizes governmental utility systems that provide service to over 100,000 customers to employ peace officers. Under current law, the Tennessee Valley Authority is authorized to employ peace officers.

**ESTIMATED FISCAL IMPACT:**

**Increase Local Expenditures – Exceeds \$50,000/Permissive**

Assumption:

- Governmental utility systems that choose to employ a peace officer would experience an increase in local expenditures for salary and benefits for the officer, Peace Officer Standards and Training Commission certification, and an increase in insurance costs. Assuming at least one peace officer is hired, this permissive increase is estimated to exceed \$50,000.
