**AMEND Senate Bill No. 2413\***

**House Bill No. 3432**

by deleting the language "call location available" in § 38-1-602(a) in Section 2 and by substituting instead the language "call location information available".

AND FURTHER AMEND by deleting § 38-1-602(c) in Section 2 and by substituting instead the following language:

(c) When requested by a law enforcement agency, the public safety answering point of the enhanced 911 statewide system, authorized by Title 7, Chapter 86, Part 3, shall assist the agency in obtaining call location information from wireless telecommunications service providers. Such assistance shall be provided only upon the requesting agency providing information establishing that the call location information is necessary to assist the agency in responding to a call for emergency services or to an emergency situation that involves the risk of death or serious physical harm.
