SECTION 2. Tennessee Code Annotated, Title 57, Chapter 3, Part 2, is amended by adding the following language as a new, appropriately designated section:

57-3-2__.

(a) Notwithstanding any other law to the contrary, an additional class of licenses allowing the sale of wine at retail food stores is created. These licenses shall be known as “wine at retail food store licenses” and shall be issued by the alcoholic beverage commission; provided, that licenses shall only be issued to a retail food store located in a county or municipality that has authorized the sale of wine at retail food stores by local option election pursuant to Section 1 of this act. Sections 57-3-204(b)(3) and (4) and 57-3-404(e)(1) and (f) shall not apply to licenses issued pursuant to this section, provided, that any individual applicant applying for a license is twenty-one (21) years of age or older and has not been convicted of a felony subject to § 57-3-210(c); and, provided further, the commission may issue such a license to a corporation, limited liability company or partnership doing business in this state. (b) For purposes of this section, "retail food store" means an establishment where food and food products, fresh produce, and meat butchered on the premises are sold and intended primarily for off-premises consumption.

(c) Laws applicable to the issuance, renewal, suspension, and termination of retailer's licenses issued pursuant to this part and the regulation of and operation by such license holders shall apply in the same manner to wine at food store licenses and license holders.

Prior to making a sale of wine for off-premise consumption, the adult consumer must present to the license holder or any employee of the license holder a valid, government-issued document, such as a driver's license or other form of identification deemed acceptable to the license holder that includes the photograph and birth date of the adult consumer attempting to make a wine purchase. Persons exempt under state law from the requirement of having a photo identification shall present identification that is acceptable to the license holder. The license holder or employee shall make a determination from the information presented whether the purchaser is an adult. In addition to the prohibition of making a sale to a minor, no sale of wine for off-premises consumption shall be made to a person who does not present such a document or other form of identification to the license holder or any employee of the license holder; however, it is an exception to any criminal punishment or adverse administrative action, including license suspension or revocation, as provided for a violation of this section if the sale was made to a person who is or reasonably appears to be over fifty (50) years of age and who failed to present an acceptable form of identification.
