

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL MEMORANDUM

SB 32 – HB 223

April 5, 2011

SUMMARY OF AMENDMENT (004531): Deletes the original bill. Authorizes the Department of Transportation (TDOT) to obtain commercial sponsorship of the Tennessee 511 system, which provides current information on state-wide traffic conditions. Requires all revenue generated from such sponsorship to be deposited in the Highway Fund. Prohibits such sponsorship to include, identify, or promote: alcohol products; tobacco products; adult-oriented establishments; political candidacies, political issue advocacy, or political campaign advertising; or any unlawful conduct or activities.

FISCAL IMPACT OF ORIGINAL BILL:

Increase State Revenue – \$400,000/Highway Fund
Increase State Expenditures – \$50,000/Highway Fund

FISCAL IMPACT OF BILL WITH PROPOSED AMENDMENT:

Unchanged from the original fiscal note.

Assumptions applied to amendment:

- The Tennessee 511 system had almost 1,000,000 calls in 2010. While it is difficult to quantify an exact amount of revenue due to several unknown variables, it is estimated that commercial sponsorship of the 511 system would result in an increase in state revenue of \$400,000 to the Highway Fund.
- According to TDOT, sponsorship services would be contracted at a cost of approximately \$50,000 per year.
