FISCAL MEMORANDUM

SB 2916 – HB 3300

March 19, 2012

**SUMMARY OF AMENDMENT (013957):** Deletes all language after the enacting clause. Defines “disposition directions”, “qualified adult”, and “right of disposition” relative to funerals and funeral services. Authorizes a qualified adult to execute disposition directions or a pre-need funeral contract to direct the location, manner, and conditions of disposition of such adult’s remains. Prohibits cancellation or substantial revision of disposition directions or a pre-need funeral contract unless the action has been ordered by a person authorized by the decedent to do so in the directions or contract, or if insufficient funds are available to fund the directions or contract. Establishes the order for the right to control the disposition of a decedent’s remains in the absence of directions or a contract. Directs that a funeral establishment is not liable for refusing to dispose of a decedent’s remains in the event of a dispute regarding the right of disposition. Authorizes a funeral establishment to add legal fees and court costs when bringing a legal action. Authorizes a funeral establishment to carry out the instructions of a person the establishment reasonably believes to hold the right of disposition. Makes technical corrections.
