AMEND Senate Bill No. 1330

House Bill No. 1276*

by deleting the period at the end of Section 3 of the bill as filed and by adding the following language:

, and institution and program accreditation requirements. Notwithstanding any provision of this part to the contrary, the labor education alignment program shall not in any way adversely affect the accreditation of an institution.

AND FURTHER AMEND by deleting Section 6 of the bill in its entirety and substituting instead the following:

SECTION 6. The board of regents, with input from the higher education commission, shall coordinate curriculum development by the faculty and related resource materials to assist educators, employers, and students with workplace training and placement. The curriculum and materials shall, at a minimum, meet the necessary skill standards of high-skill and high-technology industries in this state. The curriculum and materials shall define courses that are necessary for each technical career field that may lead to a post-secondary credential. The curriculum shall be developed by faculty who teach within the field and shall outline the academic and technical courses that are necessary for each post-secondary award, credential or degree to be awarded under this part.

AND FURTHER AMEND by deleting the period after the word "commission" in subdivision (3) of Section 8 and by adding the following language:

“, made in consultation and agreement with the board of regents.”
