AMEND Senate Bill No. 1664*

House Bill No. 2101

by deleting all language after the enacting clause and by substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 55, Chapter 10, Part 3, is amended by adding the following language as a new section:

(a) As used in this section, unless the context otherwise requires:

(1) "Automated license plate recognition system" means one (1) or more fixed high-speed cameras combined with computer algorithms to convert images of license plates into computer-readable data;

(2) "Captured plate data" means the global positioning device coordinates, date and time, photograph, license plate number, and any other data captured by or derived from any automated license plate recognition system; and

(3) "Governmental entity" means any lawfully established department, agency or entity of this state or of any political subdivision of this state.

(b) Any captured plate data collected or retained by any governmental entity through the use of an automated license plate recognition system may not be stored for more than ninety (90) days unless the data is retained or stored as part of an ongoing investigation, and in that case, the data shall be destroyed at the conclusion of either:

(1) An investigation that does not result in any criminal charges being filed; or

(2) Any criminal action undertaken in the matter involving the captured plate data.
