AMEND Senate Bill No. 2087*

House Bill No. 2087

by adding the following language as a new, appropriately designated subsection to SECTION 1:

() This section shall not be construed to apply to any smart meter gateway device. For purposes of this subsection, “smart meter gateway device” means any electric or natural gas utility meter, utility meter component, utility meter load control device, or any device ancillary to the utility meter, which is located at an end-user’s residence or business and which serves as a communication gateway or portal to electrical or natural gas powered appliances, equipment, or devices within the end-user’s residence or business, or which otherwise communicates with, monitors, measures, records, reports, stores, restricts, or regulates such electrical or natural gas powered appliances, equipment, or devices.

AND FURTHER AMEND by deleting subsection (c) in SECTION 1 and substituting instead the following:

(c) A government entity may obtain location information of an electronic device without obtaining a search warrant under any of the following circumstances:

- (1) The electronic device is reported stolen by the owner;
- (2) In order to respond to the user’s call for emergency services;
- (3) To prevent imminent danger to the life of the owner or user;
- (4) To prevent imminent danger to the public;
- (5) With the informed, affirmative consent of the owner or user of the

electronic device;

- (6) To find the user if the user has kidnapped another person; or
