**House Bill No. 2087**

by adding the following language as a new, appropriately designated subsection to SECTION 1:

( ) This section shall not be construed to apply to any smart meter gateway device. For purposes of this subsection, "smart meter gateway device" means any electric or natural gas utility meter, utility meter component, utility meter load control device, or any device ancillary to the utility meter, which is located at an end-user's residence or business and which serves as a communication gateway or portal to electrical or natural gas powered appliances, equipment, or devices within the end-user's residence or business, or which otherwise communicates with, monitors, measures, records, reports, stores, restricts, or regulates such electrical or natural gas powered appliances, equipment, or devices.
