

HOUSE BILL 197

By Farmer

AN ACT to amend Tennessee Code Annotated, Title 29, Chapter 34, relative to successor corporation asbestos-related liabilities.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 29, Chapter 34, is amended by adding Sections 2 through 8 of this act as a new part.

SECTION 2. This part shall be known and may be cited as the "Successor Corporation Asbestos-Related Liability Fairness Act".

SECTION 3. For purposes of this part:

(1) "Asbestos claim" means any claim, wherever or whenever made, for damages, losses, indemnification, contribution, or other relief arising out of, based on, or in any way related to asbestos, including:

(A) The health effects of exposure to asbestos, including a claim for personal injury or death, mental or emotional injury, risk of disease or other injury, or the costs of medical monitoring or surveillance;

(B) Any claim made by or on behalf of any person exposed to asbestos, or a representative, spouse, parent, child or other relative of the person; and

(C) Any claim for damage or loss caused by the installation, presence, or removal of asbestos;

(2) "Corporation" means a corporation for profit, including a domestic corporation organized under the laws of this state or a foreign corporation organized under laws other than the laws of this state;

(3) "Successor" means a corporation that assumes or incurs or has assumed or incurred successor asbestos-related liabilities that is a successor and became a successor before January 1, 1972, or is any of such successor corporation's successors;

(4) "Successor asbestos-related liabilities" means any liabilities, whether known or unknown, asserted or unasserted, absolute or contingent, accrued or unaccrued, liquidated or unliquidated, or due or to become due, that are related in any way to asbestos claims and were assumed or incurred by a corporation as a result of or in connection with a merger or consolidation, or the plan of merger or consolidation related to the merger or consolidation with or into another corporation, or that are related in any way to asbestos claims based on the exercise of control or the ownership of stock of the corporation before the merger or consolidation. "Successor asbestos-related liabilities" includes liabilities that, after the time of the merger or consolidation for which the fair market value of total gross assets is determined under section 6, were or are paid or otherwise discharged, or committed to be paid or otherwise discharged, by or on behalf of the corporation, or a successor of the corporation, or by or on behalf of a transferor, in connection with settlements, judgments, or other discharges in this state or another jurisdiction; and

(5) "Transferor" means a corporation from which successor asbestos-related liabilities are or were assumed or incurred.

SECTION 4.

(a) The limitations in Section 5 shall apply to any successor corporation.

(b) The limitations of Section 5 shall not apply to:

(1) Workers' compensation benefits paid by or on behalf of an employer to an employee under the provisions of title 50, chapter 6, or a comparable workers' compensation law of another jurisdiction;

(2) Any claim against a corporation that does not constitute a successor asbestos-related liability;

(3) Any obligation under the National Labor Relations Act, 29 U.S.C. Section 151 et seq., as amended or under any collective bargaining agreement; or

(4) A successor that, after a merger or consolidation, continued in the business of mining asbestos or in the business of selling or distributing asbestos fibers or in the business of manufacturing, distributing, removing, or installing asbestos-containing products which were the same or substantially the same as those products previously manufactured, distributed, removed, or installed by the transferor.

SECTION 5.

(a) Except as otherwise provided in subsection (b), the cumulative successor asbestos-related liabilities of a successor corporation are limited to the fair market value of the total gross assets of the transferor determined as of the time of the merger or consolidation. The successor corporation does not have responsibility for successor asbestos-related liabilities in excess of this limitation.

(b) If the transferor had assumed or incurred successor asbestos-related liabilities in connection with a prior merger or consolidation with a prior transferor, then the fair market value of the total assets of the prior transferor determined as of the time of the earlier merger or consolidation shall be substituted for the limitation set forth in subsection (a) for purposes of determining the limitation of liability of a successor corporation.

SECTION 6.

(a) A successor corporation may establish the fair market value of total gross assets for the purpose of the limitations under Section 5 through any method reasonable under the circumstances, including:

(1) By reference to the going concern value of the assets or to the purchase price attributable to or paid for the assets in an arms-length transaction;
or

(2) In the absence of other readily available information from which the fair market value can be determined, by reference to the value of the assets recorded on a balance sheet.

(b) For purposes of this section, total gross assets may include any intangible assets.

(c) To the extent total gross assets include any liability insurance that was issued to the transferor whose assets are being valued for purposes of this section, the applicability, terms, conditions and limits of such insurance shall not be affected by this statute, nor shall this statute otherwise affect the rights and obligations of an insurer, transferor or successor under any insurance contract or any related agreements, including, without limitation, preenactment settlements resolving coverage-related disputes, and the rights of an insurer to seek payment for applicable deductibles, retrospective premiums or self-insured retentions or to seek contribution from a successor for uninsured or self-insured periods or periods where insurance is uncollectible or otherwise unavailable. Without limiting the foregoing, to the extent total gross assets include any such liability insurance, a settlement of a dispute concerning any such liability insurance coverage entered into by a transferor or successor with the insurers of the transferor before July 1, 2013, shall be determinative of the total coverage of such liability insurance to be included in the calculation of the transferor's total gross assets.

SECTION 7.

(a) Except as otherwise provided in this section, the fair market value of total gross assets at the time of the merger or consolidation shall increase annually at a rate equal to the sum of:

(1) The prime rate as listed in the first edition of the Wall Street Journal published for each calendar year since the merger or consolidation, unless the prime rate is not published in that edition of the Wall Street Journal, in which case any reasonable determination of the prime rate on the first day of the year may be used; and

(2) One percent (1%).

(b) The rate determined pursuant to subsection (a) shall not be compounded.

(c) The adjustment of the fair market value of total gross assets shall continue as provided in subsection (a) until the date the adjusted value is first exceeded by the cumulative amounts of successor asbestos-related liabilities paid or committed to be paid by or on behalf of the successor corporation or a predecessor or by or on behalf of a transferor after the time of the merger or consolidation for which the fair market value of total gross assets is determined.

(d) No adjustment of the fair market value of total gross assets shall be applied to any liability insurance that may be included in total gross assets pursuant to Section 6

(c).

SECTION 8.

(a) The courts of this state shall construe this act liberally with regard to successors.

(b) This act shall apply to all asbestos claims filed against a successor on or after July 1, 2013.

(c) This act shall also apply to any pending asbestos claims against a successor in which trial has not commenced as of July 1, 2013, except that any provisions of these sections which would be unconstitutional if applied retroactively shall be applied prospectively.

SECTION 9. This act shall take effect July 1, 2013, the public welfare requiring it.
