

SENATE BILL 393

By Southerland

AN ACT to amend Tennessee Code Annotated, Section 12-8-101, relative to asphalt facilities.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Section 12-8-101(i), is amended by deleting subsection (i) in its entirety and by substituting instead the following language:

(i)

(1) Asphalt produced in a facility operated by any local government, pursuant to the authority granted in this section, shall be used for the paving of public streets, roads or highways under the discretion and control of that unit of local government or the unit of local government that purchases the asphalt pursuant to the authority granted in subdivision (i)(2).

(2) Asphalt produced in a facility operated by any county may be sold to any municipality located within the county or to any other county department or entity located within the county.

(3) Each unit of local government operating a facility, pursuant to the authority granted in this section, shall keep a detailed inventory and record that complies with generally acceptable governmental accounting standards, of where all asphalt products produced by the facility are used and to whom any asphalt products are sold.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
