

TENNESSEE GENERAL ASSEMBLY  
FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**SB 59 – HB 246**

February 1, 2013

**SUMMARY OF BILL:** Authorizes teacher training programs to include courses in neurological and brain science in each teacher preparation program in Tennessee public higher education institutions.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumption:

- According to the University of Tennessee and the Tennessee Board of Regents, the current curriculum incorporates courses in neurological and brain science into their teacher preparation programs. No increase in state expenditures for new course development or implementation.

**CERTIFICATION:**

The information contained herein is true and correct to the best of my knowledge.
