

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 714

February 20, 2013

SUMMARY OF BILL: Decreases, from 10 to 3 years, the amount of time a person must wait after exiting a drug or alcohol rehabilitation program or hospital before being eligible for a handgun carry permit, provided the person entered the program or hospital voluntarily. Requires a 10-year period for those who enter rehabilitation involuntarily.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumption:

- Any initial increase in handgun carry permit applications will be not significant.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.

A handwritten signature in black ink, appearing to read "Lucian D. Geise".
