

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 2458 - HB 2389

February 13, 2014

SUMMARY OF BILL: Authorizes the partial relocation of up to 20 licensed nursing home beds from one nursing home to another nursing home if the relocation meets certain criteria.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- According to the Health Services and Development Agency (HSDA), there is one nursing home that will meet the criteria of the bill to relocate beds.
- A certificate of need would have to be obtained prior to the relocation of any licensed beds. Application fees from the certificate of need process will be collected to cover the cost of the review; therefore, the net impact to HSDA is not significant.
- According to the Bureau of TennCare, this is a Medicare only facility. There is no impact to the Medicaid program.
