AMEND Senate Bill No. 1374

House Bill No. 1302*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 40-11-152, is amended by adding the following as a new, appropriately designated subsection:

() All forms used by magistrates or other persons authorized to grant bail for domestic abuse and stalking cases shall provide a space for the magistrate to indicate that use of a global positioning monitoring system was considered as a condition of bail and whether the condition was imposed. Existing forms that do not comply with this subsection may be used until current supplies are exhausted and new forms are prepared.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
