by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 6, Part 4, is amended by adding the following language as a new section:

(a) Beginning January 1, 2017, except as provided in subsection (c), a student, during the student's high school career, shall be given a United States civics test composed of questions from the one hundred (100) questions that are set forth within the civics test administered by the United States citizenship and immigration services to persons seeking to become naturalized citizens.

(b) An LEA shall prepare a test for its students composed of at least twenty-five (25) questions and no more than fifty (50) questions from those questions described in subsection (a). The LEA may prepare multiple versions of the test for use in different schools and at different times.

(c) A public high school may provide each student with the opportunity to take the test as many times as necessary for the student to pass the test. A student who has an individualized education program (IEP) under which the civics test is determined to be an inappropriate requirement for the student shall not be required to take and pass the civics test.

(d) A student shall pass the test if the student correctly answers at least seventy percent (70%) of the questions.

(e) A school all of whose seniors receiving a regular diploma, except for those exempted from taking the test under subsection (c), make a passing grade on the United
