AMEND Senate Bill No. 1561*

House Bill No. 1564

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 55-8-202, is amended by deleting subsection (b) and substituting instead the following:

(b) As used in this section:

(1) "Autonomous technology" means technology installed on a motor vehicle that:

(A) Has the capability to drive the motor vehicle without the active physical control or monitoring by a human operator; or

(B) Has the capability to drive the vehicle on which the technology is installed in high or full automation mode, without any supervision by a human operator, with specific driving mode performance by the automated driving system of all aspects of the dynamic driving task that can be managed by a human driver, including the ability to automatically bring the motor vehicle into a minimal risk condition in the event of a critical vehicle or system failure or other emergency event;

(2) "Driving mode" means a type of driving scenario with characteristic dynamic driving task requirements including, but not limited to, the following:

(A) Expressway merging;

(B) High speed cruising;

(C) Low speed traffic jam; and

(D) Closed-campus operations;
