FISCAL REVIEW COMMITTEE

**FISCAL NOTE**

**HB 231**

February 9, 2015

**SUMMARY OF BILL:** Requires the Bureau of TennCare to report to the General Assembly, and make available to any interested person, an accounting of the amount paid by TennCare to each managed care organization (MCO) for long-term care services and the amount paid by the MCO for long-term care services in the previous fiscal year.

**ESTIMATED FISCAL IMPACT:**

**NOT SIGNIFICANT**

Assumptions:

- Pursuant to Tenn. Code Ann. § 71-5-1402 (g), the Bureau of TennCare is required to report a separate accounting of long-term care expenditures for nursing facility services and home- and community-based services made under the CHOICES long-term health care program including the prior fiscal year actual expenditures and projected current fiscal year expenditures no later than February 1 of each year.
- Expanding the information the Bureau is required to report on will not significantly increase the workload of the Bureau's staff.
- Any increase in expenditures to produce the report will not be significant and can be accommodated within existing budgetary resources without an increased appropriation or reduced reversion.
