

SENATE BILL 2410
By Kyle

HOUSE BILL 2419

By Hardaway

AN ACT to amend Tennessee Code Annotated, Title 5;
Title 6; Title 7; Title 9; Title 13; Title 63; Title 66;
Title 67; Title 68 and Title 71, relative to enterprise
zones.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. The comptroller of the treasury shall study the feasibility of establishing an enterprise zone pilot project in the Orange Mound community in Shelby County. The pilot project would provide incentives for independent senior living facilities that would support independence for seniors by enabling them to receive telehealth services at home, and it would provide incentives to businesses and other entities that increase access to fresh produce and other health food for residents of the enterprise zone pilot project. The comptroller shall report findings, along with any recommendations, to the members of the general assembly no later than January 15, 2019.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
