

TENNESSEE GENERAL ASSEMBLY
FISCAL REVIEW COMMITTEE

FISCAL NOTE

SB 2108 - HB 2442

February 18, 2018

SUMMARY OF BILL: Requires the Department of Environment and Conservation (TDEC) to utilize existing resources to develop materials to train municipal solid waste management region board members to administer their regions. Requires TDEC to utilize volunteer, part-time trainers to train municipal solid waste management region board members.

ESTIMATED FISCAL IMPACT:

NOT SIGNIFICANT

Assumptions:

- The Solid Waste Management Act of 1991, compiled in Title 68, Chapter 211, Part 8, authorizes TDEC to provide training to municipal solid waste regions. Further, Tenn. Code Ann. § 68-211-822 authorizes TDEC to provide grants to technical assistance providers for solid waste planning.
- The proposed legislation would require TDEC to provide training to municipal solid waste management region board members within existing resources. However, the proposed legislation does not repeal Tenn. Code Ann. § 68-211-822. It is assumed that TDEC will continue to provide grants to technical assistance providers for solid waste planning.
- Because TDEC already has the authority to train municipal solid waste management region board members and resources with which to provide the training, the proposed legislation will not significantly impact TDEC's operations or expenditures.

CERTIFICATION:

The information contained herein is true and correct to the best of my knowledge.
