AMEND Senate Bill No. 456

House Bill No. 393*

by deleting all language after the enacting clause and substituting instead the following:

SECTION 1. Tennessee Code Annotated, Section 16-15-901(b), is amended by deleting the language "The process server must be identified by name and address on the return." and substituting instead the language:

If service of process is made by a sheriff, constable, or other law enforcement officer, the process server must be identified by name and agency on the service return or in a supplemental affidavit. If service of process is made by a private process server, the process server must be identified by name and a mailing or physical address on the service return or in a supplemental affidavit. Failure of the process server to include this information does not render the service invalid if the service is otherwise valid, but the court may require a private process server to provide the private process server's mailing or physical address to the party on whom process was served.

SECTION 2. This act shall take effect January 1, 2020, the public welfare requiring it.
